Once Upon A Time There Was A Man

Here Abouts - - - With Emily Aubrey

It is a very common thing to see a man

and a woman walking together

and you can't help but wonder

what they are doing together

and you can't help but wonder

what they are doing together

and you can't help but wonder

what they are doing together

and you can't help but wonder

what they are doing together

and you can't help but wonder

what they are doing together

and you can't help but wonder

what they are doing together

and you can't help but wonder

what they are doing together

and you can't help but wonder

what they are doing together

and you can't help but wonder

what they are doing together
