Our Editorial Platform

- Zoning of city for zoning city schools.
- Consolidation of city and county schools.
- Insulation of hotel gas lines.
- Better lighting business district.
- Establishment of a board of trade.
- Location of an expanded milk plant in Nicholas county.
- Full support of the Nicholas County Community Chest.
- An industry for employable males.

Yes, We Have Faith in Uncle Sam

Nicholas county recently attained the overall honor of being the first county in the State to exceed its quota in the Opportunity Drive. This fact was purchased a United States bond. County planners are providing the drive that the county guaranteed through voluntary purchases. It is not derived from the county's quota. It is provided from the county's quota. It is provided from the county's quota. It is provided from the county's quota.

Danger At The Gasroasts

Robert Kammner, the well-known historian and commentator, recently made an observation on our internal weakness. He said that the danger of gasroasting is not in Washington, but at the gasroasts. Governments have always tended to grow more and more powerful into themselves. In every free country, the government tends to grow more and more powerful into themselves. In every free country, the government tends to grow more and more powerful into themselves.

Trouble For The Smaller Towns

It is doubtful if the public fully realizes the situation on the proposed Federal Reserve national minimum wage of 75 cents an hour for all laborers. This is a very high wage for the smaller towns of the State. It is a very high wage for the smaller towns of the State. It is a very high wage for the smaller towns of the State.

Here Abouts - - -
