

# Congratulations, Seniors

To you, the Graduating Classes of Carlisle High and Nicholas County High, we offer Congratulations and Best Wishes! You can be proud of what you have accomplished during the past years, and can face the future with optimism and certainty.

Yours has been a job well done. Your graduation diploma is a symbol of hard work and knowledge. It's the reward for efforts you have put forth to equip yourselves to meet and conquer obstacles that lie ahead. The lessons you have learned are many. . . Remember them! Your studies, along with the many other school activities in which you have participated, have given you a sense of sportsmanship and fair play. These things have instilled in you the qualities of leadership and good citizenship. They have given you the determination and ability to be a credit to your school, your community, and your country.

What the future holds for each of you, no one knows. But no matter what you do keep in mind the lessons your teachers have given you. Set your goal high and work hard to attain it. By doing this you will be certain of success. Always strive to do your job just a little bit better and your ambitions will be realized.

Yes, your graduation is a big step in your life. It's an event you'll never forget. Remember the occasion with pride. . . remember the meaning for which it stands. . . remember that the future of your community and your country is in your hands. Yours is a grave responsibility. Be prepared to accept it.

Sincere congratulations, Class of 1949! May the best of everything be yours always.

We, the business firms and individuals listed below take this opportunity to extend hearty congratulations and best wishes to each and every member of this year's graduating class:
