## Another Lesson in Red Ideology

## Vote Yes [X] For Number 2

Constitutional Amendment Number 2—If ever a state needed its voters—to go to the polls and place their approval on an amendment, which means the welfare of their state; November 8, 1949 will signify the date.

Frankly, we believe that the people of Kentucky and of Nicholas county will place their approval on Constitutional Amendment Number Two without the least equivocation.

They realize today that no one can live as in the '30's and progress as the State of Kentucky progresses today.

It isn't the question of one man being given a raise, however well deserved, it's a question of survival—we can't forever turn the personnel of our state over to have them depart for better pay and another state!
