The government has instituted an antitrust suit against a very large chair store system, which serves many states, as a suit of the state of th

The intent of the Sherman Anti-trus Act was to make the Nation safe for competition, and to guard against monopolies that got into the saddle and then bled the public by imposing high prices. It was not intended as an in-sument for the throtting of legiti-tion of mass modulation—conversione of

Facts Current labor-management dis-putes in the soft coal industry—coupled with John L. Lewis' periodic state-ments to the effect that management is trying to grind down the workers in cne way or another—make it import-ant ist the public understand just how the miners fare from the economic standmont.
