Say You Saw It In The Mercury

Thank You
It is with regret that I must announce my retirement from the firm of CLARK & HAY, METZERS, distributors of Kaiser-Frazer automobiles in Carlisle and Nicholas county.
To the many hundreds of people throughout the town and county who have been my friends and who have patronized and have entrusted me with their business, I wish to say that I have enjoyed every moment of these past three years. If I can ever be of service to you in any way in any business in which you are interested, please let me hear and call on me.
