Step inside—and stretch yourself in the biggest interiors ever found in a Buick Special, with a full twelve inches added to rear-seat hiproom. Try the power of big 110 or 120 hp high-compression Fireball engines—sample the restful levelness of a ride that sets the standard for the industry.

You know how it usually is-slow and steady is the rule in automotive

progress.

But every now and then it happens.

Along comes a car that's new all over—
like this one—and headlines sing the news. Take the styling of it-fresh and smart

and really exciting from its non-locking bumper-guard grilles to the jet-plane look of its fenders.

Take the outward size of it-handy in

Check controls—and note really big news: The luxury of Dynaflow Drive\*—newest, simplest and smoothest of all modern

Only one word fits it -

Finally, look at the price tag. Measure its figures against others—and see if any car, even in the lowest-price field, gives you so much of what you want for each dollar you invest.

Tops in style, tops in room, tops in lift and life and traveling case, a trip to your Buick dealer will show you this is won-derful in value too!

For the biggest buy of this year—and many a year to come—better go now and get
