Views Of Religion In Nicholas County

By Rev. J. G. Carr

IT IS GOOD FRIDAY CHRIST YOUR CROSS

Last Sunday was the palm branches which were thrown cast on him by the people as he rode into Jerusalem. But the other crowd cried out crucify him. Does not this same condemnation? And we are guilty of the same sin when we refuse to accept Christ as our Lord and Savior. Let us not be led into some false teachings. Let us not be led into some false teachings. Let us not be led into some false teachings.

Good Friday is the day of the cross. In much of the present world crucify Christ. Let us walk with Jesus and two thieves who were crucified on three crosses almost two thousand years ago. Let us be that all that Good Friday meant. If we do not we deserve such for us. It will never take us beyond the mere celebration of a past event. In the thoughts of many people today. Good Friday is only a reminder that in just three more days we will have another Easter Sunday. A day of parade, celebration and self-glorification.

What is the true meaning of Good Friday? To the Christian world it is the day our Lord was crucified on Calvary, for the sins of the world. It was the closing chapter of a week of persecution, suffering, and denial. It is a reminder of the frustration, blindness and cruelty of a people who had spoken and smiled. The emblem of Good Friday is a cross. Good Friday is not confined to a single day in our calendar. Good Friday is today as today. Good Friday is every day that knows suffering, frustration, persecution, selfishness, unfairness, and death. Good Friday still has its three crosses. Jesus Christ the Son of God places Himself in the midst. His is the central cross, and on either side there is a cross for us. That central cross is no longer an instrument of suffering and death, but it has become a throne of grace, mercy, and forgiveness. For the Christ that crowns a living, victorious Christ. Savior of the world.

The world hangs on the other three. They represent frustration, suffering, chaos, and death. They speak of our separation from God.

We can not escape the cross. There is a cross for every one, and there's a cross for them all, because of God's great love, and His desire to redeem all men.

And this choice is between the cross of the thief and that of the second. Let us examine these crosses, then choose our cross.

By the cross of the thief we come to Jesus and says: "Are you not the Christ? Save yourself and us." He wanted nothing more than to be saved from his sins. He suffered no sense of guilt. His conscience did not bother him. He had no desire to quit his sinful ways. So deeply was he involved in his sins that he could not see Jesus as the Savior from sin. But from this cross Many people of our present day are hanging. Many of them are lost. You can beat them saying. Why don't you do something about it? The answer to their question is found in something that it is their heart that is wrong. They will not accept Jesus as their Savior. They will not let Jesus do not accept the thief.

The thief on the second cross seems to understand his real need. He did not ask to escape death. He received not just God for our sins. Jesus remember me. He confesses his sin, and casts himself upon the mercy of the Lord. Remember me. He did not ask for heaven. He did not ask for but at that moment of repentance and faith he received an abundant entrance into the Kingdom of God.

Today those shall be with Jesus in Paradise.

Yes today is Good Friday. We have a choice to make. Which one we choose? The first represents a person in being caught, and a sure to escape punishment. The second represents a genuine sorrow for sin, repentance, and surrender to the sure, tender mercies of Jesus Christ. I choose the second cross. "God be merciful to me a sinner. Jesus remember me when you come into your kingdom.

In making that deliberate choice, and by faith in His saving grace, I can hear His wonderful words, even as they were spoken to the second thief, "Today thou shalt be with me in Paradise."

In a survey of farmers following the con-and-call plan in Nicholas man county, Warren Thompson, county agent, found that the net profit ranged from $39 to $78 per cow per year, after costs of feed and pasture, veterinary bills, depreciation and interest on money had been taken out.

CHRISTIAN SCIENCE

"Are Sin, Disease, and Death Real?" is the subject of the Lesson-Sermon, which will be read in all Christian Science churches throughout the world on Sunday, April 9, 1950.

The Golden Text is: "In the way of righteousness is life; and in the pathway thereof there is no death." (Prov. 12:28)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "This then is the message we have heard of him, and declare unto you, that God is light, and in him is no darkness at all." (1 John 1:5)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "We are sometimes led to believe that darkness is as real as light; but Science affirms darkness to be only a moral sense of the absence of light, at the coming of which darkness loses the appearance of reality. So sin and sorrow, disease and death, are the opposition absence of Life, God, and flee as before the rising sun flee mists and lote." (P. 215)

Here Abouts

was taking us on this 10 cent tour we bumped into C. E. Cooper, completely lost and very anxious to find an exit.

But the thing that's most heart pleasing is that it is ours. Brick, concrete, metal molded by labor, and fashioned by the foresighted-ness of local persons to be utilized by Nicholas county people in need of hospital care.

However, all rooms are reserved for the first week after its opening for members of the local hospital board who are in a near state of collapse from worry and "nerve-racking" anxiety in regard to its completion.

That's almost the truth!

That's all—
