100th ANNIVERSARY

LOUISVILLE & NASHVILLE RAILROAD CO.

Private Builder and Public Servant

1850-1950

L & N's average annual operations are partially outlined below:

WAGES FOR EMPLOYEES	TAXES FOR GOVERNMENT AND SOCIAL SECURITY	PURCHASES FOR OPERATION	PURCHASES FOR IMPROVEMENTS	TAXES FOR SCHOOLS
\$100,000,000	\$23,000,000	\$49,000,000	\$26,000,000	\$2,700,000

Furnish the best possible and most courteous public service at the lowest possible rates

- Grant good wages and working conditions to its employees
- Earn and pay a fair return to the investors in its securities
- Improve its properties in order to keep progressive and modern
- Strive for a more intensive development of the territory and communities it serves

The L & N seeks no public subsidies, and favors a National and State transportation policy for all forms of transport, with special privileges to none. It believes that a surcease from crippling and restrictive legislation is in the public's interest. It wants its corporate citizenship to be one of high standard and fair dealing, and desires its officers and other employees to aspire to that standard.

Above all, it wants to merit your friendship and patronage and to deserve the name of "The Old Reliable" as it enters its second 100 years as Private Builder and Public Servant.

J. B. Hill President

THE L & N'S 27,000 EMPLOYEES FEEL IT A PRIVILEGE TO SERVE YOU AND HOPE TO JUSTIFY YOUR CONFIDENCE IN "THE OLD RELIABLE"
