wide scale. It is important that there be cooperation and coordination between the Committee and the Military Establishment. It is most important that those who are carrying out the authorizations to provide weapons and supplies for our Armed Forces do not lag in the execution thereof. It is important that every minute of time possible in our expansion and rearmament program be saved. In short, it is imperative that the Armed Services Committee keep on top of the job to see that every program authorized by the Congress is relentlessly pursued without waste of time, effort or money to bring it to fruition as thought our gallant troops in the field.

"In order to expedite objectives herein mentioned, I am today appointing a subcommittee of the Senate Armed Services Committee to consist of the following Senators: Senator Johnson of Texas, chairman; Senator Chapman, of Kentucky; Senator Kefauver, of Tennessee; Senator Hunt, of Wyoming; Senator Bridges, of New Hampshire; Senator Saltonstall, of Massachusetts; Senator Morse, of Oregon.

"This subcommittee should function continuously and make such full investigations and recommendations as are required, in order that the full committee may be from time to time advised of the difficulties confronting our program and may remedy these difficulties through the medium of legislation, bring the matter to the attention of the proper committee of the Senate.

"The present members of the highly efficient professional staff of our committee will be the nucleus for beginning this important investigatory and other work. This plan should be of vast help to the rearmament and expansion program of our military forces."

It all shows to go 'ya' that, altho' they look mighty nice, uniforms don't necessarily win softball games.

Craigs, winners in the tournament here last week, didn't sport natty jerseys but they had that spark when the blue chips were down. Pitcher P. I. Tumey said after the game that he had "that feeling" when he started warming up before the game with NCHS.

It was tough that the National Guards had to lose after winning 14 straight games without a loss. Everytime they played they drew a big crowd. But the unpredictable often happens and he cause of some of the finest softball ever seen here, NCHS's win over the Guards and Craigs win over the Bombers in the semi-finals Wednesday night), a sport like softball has the following that it has. It gives underdog teams incentive to win and certainly makes for better ball.

Switching from softball to baseball, we seem to have some rather talented country ball players. Now, about

Gayle Bowen, Charles Shankland and Donald Cameron are three good reasons why Flemingsburg's American Legion baseball team is in second place in the Central Kentucky American Legion Circuit.

Flemingsburg has lost only two games all summer. In Sunday's game against Mt. Sterling, "Shank" poled a home run over the center-field fence, some 390 feet from home plate. The ball cleared the top of the scoreboard and hit a car was struck by a flying steed into a 1949 Ford convertible.

Ten years from now, they'll probably be using air planes and in another 10 years probably rockets will be the proper method of pursuit.

Wonder how Gene Autry would sound singing 100,000 feet up?

Speaking of cowboys singers, this Red Foley is one of the best.

His recording of "Just Closer Walk With Thee" is beautiful.

Later that day when Mr. Gatewood returned.

"Surprise, surprise, granddaddy, we washed your car," they chorused.

It was a "surprise" alright. Somewhere beneath caked layers of mud was a blue Chevrolet, which Q. T. promptly drove to the nearest car wash. That cost him a dollar.

After supper, the "mudslingers" came over for their 10c each reward for having granddaddy little helpers". That cost him another 50c.

The way we figure it, Mr. Gatewood was out $1.50 for merely loaning his car to Martha.

Aren't kids wonderful?

Even Shakespeare had a habit of repeating himself, at times. So if I've told you this little story before, please don't stop me.

A local lady was hiring a new maid. She asked her: "Can you serve company?"

The girl said: "Yes Ma-am, I can serve 'em both ways."

"What do you mean, 'both ways' ?" asked the madam.

"So they'll come again . . . or stay away!"

Celebration Of 168th Anniversary Of The Battle Of Blue Licks, Aug. 19

The One Hundred and Sixty-fifth Anniversary of the Battle of Blue Licks will occur on Saturday, August 19 at the Blue Licks State Park, Robertson county. For several years past (with the exception of 1949) this anniversary has been commemorated by large gatherings at the battlefield and the carrying out of programs appropriate to the occasion.

A monument erected by the Commonwealth on the battlefield was dedicated in 1928, at which time an estimated crowd of 10,000 persons was present.

The program arranged will be at 1:00 p. m. (EST) and several prominent speakers are scheduled to make their appearance. Music during the afternoon will be furnished by the La Grange Star Dusters.

At 4:00 p. m. the pavilion will be cleared for an old fashion square dance. Admission to the park is free and everyone is invited to attend.

Craigs Crush NCHS 13-4 In Finals; UK'ers Take 2-0 Win From Guards

Craigs Service Station, the Cinderella team in the Sportsman's league, climbed all over NCHS to win 13-4 victory in the finals of tournament play at the playground, Friday night.

Craigs, which finished in a third place tie with NCHS during regular season play, scored in every inning but the first to gain the victory in a game that saw the losers commit nine costly errors.

P. I. Tumey, winning hurler, was the big gun in the onslaught, scoring three runs, including a two-base hit that came in the sixth and driving in five runs, margin enough for victory.

Craigs and NCHS gained final round berths by defeating the Methodist and Guards Wednesday night in semi-final softball play (See story elsewhere in The Mercury).

Going into the top of the fourth, the Blue Lick team enjoyed an 8-0 advantage over the ragged County nine. However, a four-run uprising was only the second inning as Marshall and Fryman on base, raised the spirits of the County followers but the hope was short lived. Craigs came back strong in the bottom half of the inning with two more hope-chilling runs to more than ice the game.

Four of the seven blows garnered off young Eaunce were for extra bases, including doubles by Lowe and Abner and Tumey, plus Tumey's circuit smash. Lykins led the County attack with a triple and double in four trips to the plate. Shannon lined a two base hit in the third but was left stranded.

ENLIST IN ARMED SERVICES

Herman M. Dayton, 18, son of Claudius and Bessie Dayton, Arnold Heights, was enlisted in the U. S. Air Force as a Recruit of Private for a period of four years last month. He was assigned to Lackland Air Force Base, San Antonio, Texas, for 14 weeks basic training. After completing basic he will be prepared for specialized work.

Logan H. Bean, 20, colored, son of Mrs. Ellen Bean, 108 Henry Street, was enlisted in the Regular Army in the grade of Recruit for a period of three years. He will receive his basic training at the Third Armored Division, Fort Knox, Kentucky.

This announcement was received from SFC Orval W. Keller, Station Commander of the Cynthiana Army and Air Force Recruiting Station, located on the second floor of the Brumfield Building.

Craigs Win 2-0

Gaylord Caswell, pinch hurling for Jack Tingle, scheduled Star pitcher, went all the way as the Craigs Service Station nine chalked up a 2-0 victory over the local National Guards Tuesday night in a return softball game. The Guards won the first contest three weeks ago, 4-3.

In going the route, Caswell gave up only three scattered hits. Dotson collected two of the blows with singles in the first and seventh. W. R. Crawford hit safely in the fourth.

The University lads scored an unearned run in the second to start the scoring parade. Gross, who tallied both runs, walked and scored two outs later on a fielders choice by George Claiborne, as the big first sacker slid home safely under the throw to the plate.

In the fourth after one out, Gross doubled to right and scored **on Claiborne's single over second.**

The only run scored in the sixth was driving and his car was struck by a car driven by Richard Wilson, of Maysville.

Mrs. Letton was the only person injured although all occupants were shaken-up. Both cars were badly damaged.

Occupants of the cars were Mr. and Mrs. Letton and grandson, Robert Letton, Jr., and in the Willoughby car was Mrs. Willoughby and four children.

Mrs. Letton was first taken to a physician in Mayslick and was then removed to the local hospital for xrays. The Lettons reside near Jacksonton.

Carlisle City School '50-51 Session Begins Tuesday, Sept. 5

The enrollment of high school students in the Carlisle Public schools will begin Monday, September 4, with the 1950-51 session beginning on Tuesday.

Miss Nancy Talbert, the high school principal, will be on hand with a staff of teachers to assist and advise students with their schedules Monday. High school students are urged to make their class arrangements at this time.

The opening assembly program will be held Tuesday at 9 a. m. and the public is cordially invited to this exercise. Open house will be held and tours of various class rooms, recreation room, laboratories and lunch room have been arranged. Refreshments will be served in the lunch room. New equipment and improvements have been made during the summer months.

Problems which parents may have pertaining to their children and the school will be discussed by any teacher, the principal or superintendent.

Supt. Davis stated that all children becoming six years of age within 30 days after the opening of the school term will be eligible to enroll in school this year.

In accordance with the state law all children beginning school must have a physical examination and a certificate to attend prior to that at once.

FARM IN FLEMING SOLD

Frank D. Scott sold his farm in Fleming county last week, consisting of 63½ acres to George Fisher of Cynthiana, for $15,500.00.

Two Draft Calls Issued For August

The following men will report to the Armed Forces Induction Station, Lexington, on August 15, for physical examinations:

Stanley C. Alexander, Myers Route 1, Tilton Richard Mitchell, Ewing Route 1, James Martin Buswell, Ewing Route 1, Harvey Lee Bussell, Carlisle, Earl Clay Stanfield, Spring Street, Carlisle, Charles Lee Stone, Myers, Calvin F. Vice, Moorefield.

On August 29 the following men will report for examinations:

Oscar T. Hampton, Carlisle Route 3, James Franklin Curtis, Carlisle Route 2, Reese Letcher, Carlisle, Earmon C. Fryman, Cynthiana Route 4, Meredith C. Evans, Myers, Horace F. Marshall, Carlisle, William Earl Feebuck, Carlisle Route 3, Kenneth Irvin Smith, Ewing Route 1, William Emerson Woodall, Carlisle Route 2, Armand Weddle, Carlisle Route 2, Vernon Willoughby, Carlisle Route 2.

Attention is again given regarding the fact that every boy must register at his local draft office within five days after his eighteenth birthday. Any other man, either veteran or non-veteran—between the ages of 19 and 26 must register—if he has not already done so.

$50 Capon Award To Be Made In Feb.

Five boys, Joe Blount, Archie Crawford, Fred Burnaw, Frankie Hughes and Winfred Hughes have entered the Carlisle Chapter FFA Capon raising competition for a $50 U. S. Savings bond award given by Wells Produce, according to an announcement by Mr. G. B. Leonard, agriculture teacher.

Most of the boys are raising White Giant capons and one is raising New Hampshire Reds.

The award will be made in February to the youth who produces the highest average dollar per capon raised. Birds will be sold either on the Thanksgiving or Christmas market. Last year the award was won by Bobby Stockett.

Leonard stated that this was an excellent project and well suited for boys living on small farms because very little acreage was involved in the raising of capons. The "new enterprise in the county promises to be one of the best 4-H club projects sponsored by local merchants to promote and stimulate better farming practices in Nicholas county," he said.
