I would like to be a doctor and have a hospital. I would like to be a teacher and have a school. I would like to be a pilot and have a plane. I would like to be a scientist and have a laboratory. I would like to be a farmer and have a farm. I would like to be a soldier and have a army. I would like to be a astronaut and have a rocket ship. I would like to be a explorer and have a map. I would like to be a inventor and have a machine. I would like to be a explorer and have a map. I would like to be a inventor and have a machine.
