Carlisle, Ky.
Elm Street, Dec. 19, 1950

Dear Santa Claus:

This is my first Christmas in Kentucky although it is my state. My mother has been sick and had to stay where she could go to a special kind of doctor.

I am only five years and five months old. I'm having some one write this for me.

My first Christmas was spent in Ohio. Of course I can't remember that.

My mother told me many times of it, because it is the only one we have ever spent together.

Now that I am with my mother this year, please don't bother too much about me. Please instead be especially good to all little boys and girls everywhere who are not with their mother and father.

I thank you so much for all the nice things you have brought me at other Christmas's. I just wanted you to know it is the most wonderful present I could wish to be with my mother.

Best Wishes To You,
John Stephens Presnick
(Campbell).

Dear Santa:

I am writing again this year. I hope I am not to late for I want you get this please.

Bring me a big doll, a large set of dishes also a doll bed. I will not ask for much I would like for you to visit the sick children also the ones that were in the hospital for it will make them happy. It will also make me very happy if you will say so long till next time. Merry Xmas your little girl

Dear Santa,

After I saw you yesterday I changed my mind about the doll. I saw another one I want so very much. If you will only bring it to me, I don't want any thing else. Please Santa don't forget to stop at Rollman's and pick it up. My mother told them to give it to you. If you will you just bring the other one I said I wanted to my little sister, Joy. She told you she wanted a doll, so it will be alright.

Don't forget dear Santa, and I will try to be a very good girl. Don't forget all the little children and my little cousins, Karen and Kay Lircke is waiting to see you.

With all my love,
Sharon Clay.

Valuable Gifts To Be Awarded Sat. At Community Tree Celebration

Two o'clock Saturday afternoon in the courthouse yard in Carlisle is the time and place to be if you're a Nicholas youngster.

At that time, Santa Claus will be here in person to pass out goodies to all girls and boys who come to see him. He will come at the request of the local VFW's community service department, who contacted the bewhiskered old fellow in his headquarters at the North Pole.

Said Santa: "I understand the men of the VFW are planning a big celebration for the folks of Nicholas county, Saturday afternoon. Bill Brown tells me that the merchants also are trying to add a merry note by giving away gifts from their stores right after I unload my candy and fruit for the kids."

The occasion is the renewal of the community tree celebration which replaces the annual countywide Christmas party which averaged by the VFW post.

Merchant's Prizes

About 1:30 p. m. local merchants will present gifts to the winning children in each of the stores donating. A public address system will air these announcements. All merchandise will be given in the courthouse yard, and not in the stores, however, in order to be eligible to receive any of the merchandise, person must register at each of the following stores for each prize:

Williams' Restaurant, a free lunch and two pints of ice cream; Jones Lumber Co., a pair of nylon hose; Holbrook's, child's gift; Duncan's, tree lights; New Kirkland's, man's nylon shirt; Alexander's Grocery, 24-pound sack of White Rose Flour; Western Auto Store, baseball glove; Carlisle Drug, photograph album; Neal's Grocery, basket of Stayman-Winesap apples; Cole Hardware, GE electric clock; Sexton's Cash Grocery, basket of groceries; Coatney Brothers, jumbo basket of fruit; Mercury $5 certificate redeemable at any grocery; VFW, basket of fruit; Hopkins, town of Blossum Time soap.

Persons must be present in Carlisle to win these gifts.

Other Donors

The Business Girls Circle of the Presbyterian church, the VFW Auxiliary and others, have made a cash donation to help Lloyd George post take care of everyone on hand for basket and clothing donations. Power, chairman of the community service said today that about 100 cards had been mailed to families in the county asking that they bring their children to Community Tree event Saturday. Those who cannot get to Carlisle Saturday should notify Powell Gay and will be taken care of Sunday.

Persons knowing of needy families and those with clothing or other articles for donation should contact Power by noon Friday. Some VFW official will come to your home for the bundle.

It is thought by Commander W. R. Buntin Jr., that this Community Christmas Tree celebration will reach more families and it is hoped that everyone will enjoy a merrier, merry Christmas.

The Musketeers were victims of ten personal fouls and only one of their tallies came from the charity line. Carlisle sunk but one free throw in seven attempts.

Each team lost a starting player via the personal foul route. Hargis Fryman, who played an outstanding defensive game, left in the third period. Frank Cavanaugh was banished early in the final frame.

High point man for the victorious Blue Jackets, ably schooled by Leo Wild, was "Deadeye" Donnie Stamper who scored from the attack with 17 big points. Shannon was next in line with 10.

Tommy Gosney and Kenneth Booth were outstanding for the losers. Gosney's defensive game was praiseworthy tabbed 13, while Booth, defensive demon, looped in eight.

The NCHS "B" five, led by Wilson and Baker, defeated Carlisle 45-18.

Other Games

Last week Nicholas County lost to First Creek of Blue Diamond 42-39, Thursday night. On the following night they regained their sights to score a 54-50 win over Williamstown.

The Musketeers, led by lanky Frank Cavanaugh, smacked past Deming of Mt. Olivet 44-40 in a home tussle Friday night. The count was knotted 34-34 midway of the third quarter, but Cavanaugh found the range to give the Green and White enough margin for victory.

Quarter scores with NCHS on top, 15-7, 24-14, and 31-29.
