'49 Ford Breaker For State Highway Construction Program

The '49 Ford Breaker is the perfect vehicle for highway construction.

That in the fall line—SPECIAL, SUPER and ROADMASTER series—there is a Buick for practically every budget over the very lowest!

That there are more than a dozen Buicks to choose from. That there are three power plants in the Buick line with all higher compression, all in stock in power.

That all models are big and roomy inside—some rear seats are better than a foot wider than before—yet in every instance, shorter over-all, so easier to handle, park, maneuver and garage.

Have all, maybe you've heard of cutting over on price.
