CHRISTIAN SCIENCE

"Sacrament" is the subject of the Lesson-Sermon which will be read in all Christian Science churches throughout the world on Sunday, January 8, 1950.

The Golden Text is: "The prayers of the heard in mine, and the answer of the tongue, is from the Lord . . . Commit thy works unto the Lord, and thy thought shall be established." (Prov. 16:1, 3).

Among the citations which comprise the Lesson-Sermon will be the following from the Bible: "And he took bread, and gave thanks, and brake it, and gave unto them, saying, This is my body which is given for you: this do in remembrance of me. Likewise also the cup after supper saying, This cup is the new testament in my blood, which is shed for you." (Luke 22:19,20)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Obeying his precious precepts,—following his demonstrations so far as we apprehend it—we drink of his cup, partake of his bread, are baptized with his purity; died at last we shall rest, sit down with him, in a full understanding of divine Principle which triumps over death." (P. 31)
