Life And Death

A law has been proposed in Congress which would "sterilize" this country, and every business and every individual within it. It is known as the Spronk-Allen-R. 2346. It would give the government, through the President, the power to take over the economic system of this country...

This Modern Age

Several times in the past we have defended the younger generation against any and all condemnations that they are any more than producers. Sometime ago we had this discussion line had to maintain since there are many things about the modern age...
