LOCUST GROVE CHURCH
Rev. Geo. Grubbs

Preaching services will be held at the Locust Grove Baptist church this Sunday afternoon, March 26, at 2:30 o'clock. A survey of the community has been made by Rev. Geo. Grubbs. This will be the beginning of regular services at this church. We hope to get a Sunday School organization set up and begin regular Sunday School services each Sunday. Preaching services will be held at least twice a month. We urge the folks of the community to keep this in mind and help in promoting a church work that the community is very much in need of.

SALTWELL METHODIST CHURCH
G. W. Haley, Pastor

South Charleston, W. Va.
March 17, 1950

Dear Bro. Haleys—

Hope this letter finds you and your family in the best of health. I sure have enjoyed being stationed here at Charleston, it is so close home that I can go every week end.

I am wondering if you have any special services planned for the last Sunday in April? I was talking to Dad last night, and he was talking about how he would like to preach at Saltwell again, so I thought I would write you and find out about it. If you would want us, Dad to preach and me to lead the singing, over the 30th Sunday in April, we would be glad to come. If you like, you could arrange for a series of services to begin a day or two before Sunday. I believe it would be interesting and we could have some wonderful services.

I got discharged the 4th day of April. I am going to try and keep busy in special meetings till school starts, so if you ever need me, write and tell me. I'll be happy to come, if it's at all possible.

Dad has been having wonderful success in his Parish, they stood off awhile after he got there, but things changed almost over night, and they seem to be so happy now.

If we do come for this special service, we would be sure that the money wasn't even mentioned, we come for something far greater than money can ever buy—Souls for Jesus Christ.

Carl G. Rucker
3217 Hackworth St.
Ashland, Ky.

(Ed note: The Rickers will preach at Saltwell the fourth night of April 27 through Sunday, April 30.)

DEAF MAN PERFECTS MIDGET HEARING AID

Mr. H. A. Lyons of Peoria, Illinois, who himself has been hard of hearing for twenty years, has perfected a new hearing aid that can be worn in secret.

With this small aid, even your closest friends will never know how you hear so perfectly. Voices, the radio and even the ticking of the clock sound natural.

It is suggested if interested for yourself or a friend, write Mr. Lyons, at 400 South Washington Street, Peoria, Illinois. He will be glad to send full information.—Adv.

"—NO MORE UPSET STOMACH"

Do you suffer heartburn after meals?...foul logy?...uncomfortable? Then read this heartening letter from a woman who found her way to better digestion and better health:

"Before switching to POSTUM, I suffered both indigestion and nervousness... But now my nerves are quieted and my digestion much improved, for more upset stomach after drinking POSTUM!"

SCIENTIFIC FACTS: Both coffee and tea contain caffein, and caffein is a drug which in many persons tends to produce harmful stomach acidity, as well as nervousness and sleepless nights. So while many people can drink coffee or tea without ill effect, others don't—and this may mean YOU!

MAKE THIS TEST: Give up coffee—give up tea—drink POSTUM exclusively for 30 days—and judge by results! Remember: POSTUM contains no caffein or other drug—nothing that can possibly cause indigestion, nervousness, sleeplessness! Ask your grocer today for INSTANT POSTUM—A Vigorous Drink made from Healthful Wheat and Bran. A Product of General Foods.
