quarter had elapsed, alert center Larry Flora picked up a loose ball, possessed pigskin on the 18 and smartly scampered the remaining distance to pay dirt. The score came as the result of a Kelly-block of punt. Moments later Flora fell on the kickoff by Hardin after a Buffalo player had recovered the elusive oval and CHS began another TD march from the Bull 45.

Booth and Hardin, bottled -up by Coach Tom Ewen's defense during the first half, began to roll. With a third down and four to go, the "Doc" found a nice hole on the right side of the line and behind nice blocking picked his way across to make the score 18-0. Putman's pass to Hughes announced the PAT.

Penalty Again

Early in the fourth period with the ball resting on the visitors one yard line, third and inches to go, another penalty moved the ball back to the six. Hardin tried in vain to pick up the last yardage.

After an exchange of punts Booth broke loose from the 18 and scored. However, another penalty nullified the play and the ball was brought back to the 30. Here Pitman cocked his throwing arm and hit Booth on the five. The young halfback ate up the remaining yardage in two strides for the final 25-0 tally.

CHS collected 14 first downs to two for the improved Buffs who provided more opposition than expected.

Musketeer substitutes who entered the game from time to time gave creditable performances.

NOTICE

To The Voters In School Board Election

Division No. 2, Bartlettville, Rafferty and Sims Store Precincts

After making my announcement some weeks ago as a candidate for the Nicholas County Board of Education, I take this means to make a statement to all the voters. I am personally interested in our school program, because I have children of my own that are now attending school. If the people of this district elect me as their Board Member, I plan to learn and know as much about our school system as possible. If elected I will visit our schools and observe them while in session. I will ride the school busses, to see if the routes they are now traveling could be improved, so as not to have your children leaving home before daylight and returning after dark. I will vote on all matters with an open mind, and be glad to discuss all school problems with the parents. I will appreciate your vote and influence in this election.

As a civic project, the Younger Women's Club of Carlisle, in cooperation with the Nicholas Memorial library, will sponsor a "Book-nights" for the benefit of patients at the Nicholas County hospital.

Each week a member of the Club will take to the hospital a bunch of designated books for the patients' enjoyment. She will wheel a tea wagon of books up and down the corridors of the hospital, loaning the patient the book of his or her choice.

The next week she'll collect the book loaned the previous week and offer a new selection, etc.

Incidentally, if you happen to have a four-wheel tea wagon not in use, Mrs. Edwina Johnson would very much like to borrow it from you.

Mrs. Lucille Neal is in charge of the project for November.

After Friday night's game in Versailles this column ran slack at the typewriter . . . Not for lack of ideas—namely, A. B. "Happy" Chandler, former governor of Kentucky and presently Commissioner of Baseball.

During the conversation he strongly complimented Coach Tevis and his Yellow Jacket team. "I'm saying that Carlisle played well "but there just weren't enough of you all"

"Happy" went on to say that Versailles has a mighty fine football team, "but they would have beaten Irvine the week before."

The very likeable Woodford County "Happy" was almost right. Transylvania was walloped by Centre; "Happy" was almost right the line for Transy at the time and, like Carlisle, they had very few substitutes.

After taking punishment without let up from a bigger Colonel eleven for a little more than three quarters, Adams Benjamin said he found himself in awful bad shape.

"I thought I was going to be afraid there for a while I wouldn't!"

It elected President of the United States I don't believe "Happy" Chandler would ever change his simple, tenacious manner that has won him many friends that Carter has liver pills.

That's a lot of friends.

The other day when our god neighbor Charlie R. Jones from over Millersburg way came in to renew his Mercury, he told me that Mrs. Jones particular Jones family hadn't missed over three copies of The Mercury since 1867 when it was first published.

His father, Thomas Jefferson Jones, subscribed one day when someone came to the Hookton-ville selling subscription for $1. He continued getting it until his death in 1930.

When T. J.'s time expired Mr. Charlie began his yearly support of The Mercury course and has ever since.

We have many valued Millersburg readers including Mrs. Alex Miller whose current weeks were greatly appreciated.

Musketeers Close Most Successful Season Despite Loss To Versailles

Despite a 39-13 loss to Versailles Friday night on enemy soil, the Carlisle Musketeers, surprise team of the CKC, completed its most successful gridiron season in many a moon.

The "Cinderella" team, so ably schooled by Coach Tebyo Rose, entered the game with a perfect 6-0 record. However, annexation of the seventh victory seemed remote when some 40 Yellow Jackets trotted on the field.

It was because of this overwhelming manpower and not any other reason that the Musketeers were forced to eat defeat when victory would have tasted the sweetest.

The locals drew first blood early in the initial period. Carlisle recovered a Versailles fumble on the opening kickoff on the Yellow Jacket 35. Brooks Pitman, on a quarterback sneak, advanced to the 20 and Dean Hughes picked up nine. Jack Booth made it first and goal to go on the nine. Hardin edged five yards closer on an end sweep to the four from which point Booth bulled over on a delayed buck to give Carlisle the lead. The try for the extra point was no good

See-saw Scoring

Versailles came back to tie it up and go in front 7-6 when the Jackets recovered a Carlisle bobble on the Musketeer 47. Passes from Newton to Williams and line plunging gained the fallback Benson could not be stemmed.

Never eight minutes had elapsed in the second quarter Hardin took the handoff from Pitman, found a hole opened up by the CHS line and picked his way behind nice blocking for a touchdown jaunt of 44 yards for the last Musketeer score. Hardin also added the PAT for a short-lived 13-7 count.

With only a few minutes left before halftime, Harold Newton completed a pass to Williams good to the CHS 33. A double reverse, on the next play with Kenny Faust finally ending up with the ball on the deceptive play, resulted in the second Jacket tally. Benson went over standing up for the 14-13 count at half-time.

Drive Fizzles

Carlisle seriously threatened as the second half got underway. Spearheaded by Booth and Hardin, the green and white forced the Yellow Jackets back to the shadows of their own goal posts on a 55 yard march that carried to the enemy five. Versailles refused to relinquish yardage and took over on downs after pushing Carlisle back to the 10. On the first play from scrimmage, Benson scooted 90 yards downfield and the third Versailles TD to lead 20-13.

Begin to Tire

With Coach Vernon Tucker employing a two and three platoon system throughout the game, the Musketeers began to wilt under the relentless attack of substitutes.

Although fighting gamely until the final whistle, the locals proved no match for the swarming Yellow Jackets who racked up additional markers in the closing minutes as Newton and Benson went wild.

Penalties again cost the Musketeers valuable yardage.

Coach Rose complimented his boys after the game and said that he had no apologies.

"My boys played well and did everything I asked of them. Versailles simply had too many men. I think they could have beaten any team in the conference Friday night."

The game was the last for five senior members of the squad—"Cotton" Hughes, Jack Blake, "Doot" Hardin, Oliver Owings and Billy Joe Morrison.

UK Alums Meet And Elect Officers

Approximately 30 alums of the University of Kentucky met Monday night at the residence of the Christian church to hear Hamilton Tapp, University of Kentucky Alumni Association representative.

Mr. Tapp was here in the interest of organizing a local UK alumni group whose purpose would be to stimulate more interest in the state university among high school seniors and to encourage such politicians in Frankfort to vote a larger appropriation to the University of Kentucky at the next meeting of the legislature. He pointed out that the university space was badly needed and that many professors were leaving the University for other institutions of higher learning because the present salary allotment by the legislature did not meet that which other schools could offer.

At the meeting, Pat Conley was elected president of the local alumni, Miss Emily Asbury, vice-president and Miss Marie Flora, secretary-treasurer.

County Agent W. T. Straw was in charge of the meeting. He introduced Mr. Tapp who later showed motion pictures of the state university and the UK-Oklahoma basketball game.

WEST EUROPE ARMY HEAD!—When Atlantic pact nations get together soon to decide Europe's military future, Lt. Gen. Alfred Gruenther may be commander of antiRed army.

Voters of Kentucky will elect Earle C. Clements as their new United States Senator by an overwhelming majority next Tuesday, Democratic State Campaign Chairman J. Thaxter Sims declared this week.

The victory of Governor Clements' will carry with it eight Democratic members of Congress and the Democratic judicial candidates, Sims added.

"Our ticket will carry eight of the nine Congressional districts for Governor Clements and other nominees and our reports indicate a substantial victory will be made into the Republican Ninth district", said Sims. He coupled his statement with an appeal for a record vote in an off-year and warned Democratic workers and voters to be on the alert for last-minute tricks.

"The voters of Kentucky have been bombarded with all sorts of false charges and we expect more of the same groundless variety before election day", he added. "But the voters are able to see through the smoke-screen that has been thrown up to hide the reactionary record of Republican candidates Cooper, Charles D. Dawson.

"The people of Kentucky will not be misled by any last-minute trickery, but I feel it my duty to warn all workers and the citizenship generally that where a campaign of such misrepresentation has been waged by the Republican, we may expect a continuation of this propaganda during the closing days of this race.

"Governor Clements offers a clean-cut program. His stand on every issue has been taken by the people of Kentucky and they know where he stands. His record at every level of government, county, state and national, makes him qualified to serve you in Washington in the trying days ahead. He will work with the eight Democratic Representatives the voters will send to Washington November 7.

"I appeal to all good Democrats, to the forward-looking, progressive members of the Republican party who are without a candidate for Senate, to all independent voters to back that vote for the man, to come out and vote for Earle Clements and the entire Democratic ticket."
