Give Me a Couple of Bags of

Tuxedo Egg Mash

I thought all egg mash was about the same so I bought three bags of another brand a little cheaper, thinking I would be ahead just that much. But it has proven the highest price feed I ever bought because I have received no benefit whatever from it.

I know what Tuxedo Egg Mash will do and I am going back to Tuxedo now. With eggs at higher prices I sure want to get some return on the feed I buy and I know it pays to feed the best, which I find is always the cheapest.

The above is a gist of the remarks of one of our customers and bears out our contention that Tuxedo Feeds are always made with end results in view, which in this case is—EGGS.

Several hereabouters including the Henry Allen Palmers, Marjorie Miller, Bobby Doyle, Dottie Hughes, Christine Abraham, Johnny Feeback, Kay Fisher, Kay Flora, Rose Ballard, sister Ann and this column, were on hand Saturday and Sunday at the Cincinnati Gardens to see the "Ice Follies" and no one was disappointed. In fact, we were all overcome.

I got quite a kick out of Rose. Everytime a skater would come too near the edge of the ice, she'd flinch something awful, for fear they'd crash into the railing. Happy to report there were no casualties, except Rose, who got quite a workout.

All eyes are on the Kentucky-Tennessee game in Knoxville, Saturday. Since this time last year, the Wildcats have had nothing on their minds except the Tennessee Vols.

Yet, in the midst of all the practice and drilling the squad members have gone through, the following forty boys took time out to pen these greatly appreciated messages of cheer to Mrs. Mae Costley, beloved lady of our town:

Dear Mae—Hi gives me great pleasure to write a few lines to you. I hope that you will be as fortunate in the future as I have been in the past.

Bob Gain

Dear Mrs. Conley—I'm delighted to know that we have such wonderful supporter such as you. If we had as many like you, I'm sure we couldn't be stopped. May God Bless and keep you always and remember us in your prayers.

"Shorty" Jamerson

Dear Mae—Will be thinking about you at the Tennessee game. Say a prayer for us. Thank you and God Bless you.

Babe Parilli

Two of these players, Gain and Parilli, are nominated for All-America football honors. All four are certainly All-America gentlemen!

A young boy was sitting on the kitchen floor stroking his favorite kitten. As he neared the tail each time he reached the fur rose declining to his hand and an occasional spark would pop.

This little fellow could not understand, so, he asked his mother, "What makes it do that, mommie?" To which she replied,

"Oh, that's just electricity in your body."

The four-year-old thought for a minute, then said, "I got electricity, grampa's got gas, and daddy says he ait the time. Say Mom, ain't we somethin'!

This shivering cold snap, which is liked by some and complained about by others, reminds me of what a weather-beaten old man who worked in a lumber camp out west once said.

He'd worked hard all of his life and an interested observer called his attention to that fact.

"Nothing is hard work," the old timer philosophized, "unless you'd drather be doin' something else".

How true!

PMA Farmer-Committee Elections Will Be Held In County Tuesday

PMA farmer-committee elections will be held in each of Nicholas county's four communities on Tuesday, November 28 if U. S. Vice, chairman of the county Production and Marketing Association committee announced today.

Voting will be by ballot at four polling places and any farmer is eligible to vote who is an owner, operator, tenant or sharecropper on a farm that is participating in any program administered during the current calendar year by the county and community PMA committees, Pollard pleas at PMA headquarters school. Myers voting booth, Moorefield voting booth and the county court room. They will be open from 10 a. m. to 4 p. m.

At each of these community elections, farmers will elect five to three farmers to serve as a community committee during 1951 and a delegate to a county convention where a county committee will be elected.

This provision in farm legislation which gives farmers an opportunity to elect their fellow farmers to administer farm programs is one of the most progressive steps in agricultural development in our times. Farmers of Nicholas county can demonstrate their support of this democratic way of administration by voting when elections are held in their communities.

Even though the farmers may be perfectly satisfied with the administration of the committeemen now in office they should vote anyway. **"Failure to vote may be interpreted as a lack of interest in the program and in the democratic method of operation,** Vice said.

"I believe the farmers of Nicholas county do want a say in who administers farm programs and the way to show it is to get out and vote," Vice concluded.

Local Boy Scouts Earn Eagle Badges

At a special union service held Monday night at the Carlisle Presbyterian church Eagle Scout badges were awarded Boy Scouts Brooks Pitman and Jimmy Shepherd by Harold C. Bedenbaugh, Lexington Scout Executive.

E. E. Pfanstiel, master of ceremonies, introduced Bedenbaugh who complimented the unselfish work of the Eagle Scouts and Scout leader. He pointed out that BSA represented the largest voluntary group of boys in the country.

Special guests included members of the senior Scout troop **who sat in the choir and Mr. and** Mrs. J. M. Pitman and Mr. and Mrs. Walter Shepherd, parents of the Eagle Scouts. The badges were presented to Mrs. Pitman and Mrs. Shepherd who, in turn, pinned them on their sons.

Eagle badges are awarded on the basis of the following requirements, earn 21 merit badges, including live-saving and other swimming tests, which must be passed before a board of review, practice of Scout principles, active service and leadership effort.

Only five other local Scouts have held the distinguished badge — Charles Dixon, Kenneth Campbell, Paul Jones, Robert Allen Palmer and Robert Pitman. These boys acted as ushers at the service.

Special music was rendered by Mrs. Sterling Blake and Mrs. J. Berry Bortaw who sang a duet and a solo by Robert Pitman.

"LETTERS TO SANTA" TIME

Hey kids! It's getting to be that time of year when it's a good idea to remind Santa Claus of just what to bring down the chimney along about the 25th of December.

There'll be only four more issues of the Mercury printed before that glorious day to beginning next week we'll publish **your "letter to Santa". For the cutest letter written by a boy or a girl, not over nine-years-old, Caswell Furniture Company will award a beautiful doll which will be on display in their store on Main street.**

Get your mother or daddy to take you on a tour of the Carlisle Toylands and then writh to Santa, in care of The Mercury, don't forget to mail your letter in his bag. We'll see that the old man with whiskers gets your message.

MARRIAGE LICENSE

A marriage license was issued Wednesday by County Clerk Roy Keith Bell, Lexington, and Miss Martha Sue Terrell, Carlisle.

Boys Quartet Wins Amateur Hour Fest

A barber shop quartet, rendering ballads of yesteryear, was judged the number one entry at the Veterans of Foreign Wars Auxiliary's hit "Amateur Hour" held last Thursday night in the city school auditorium.

The quartet, composed of Brooks Pitman, Billy Blake, Frank Cavanaugh and Jimmy Shepherd, emerged a clap and a shout ahead of Judith Carol Hughes, who took second prize and the Bretz Brothers, who pocketed show money. Pitman also favored the pleased audience with uke selections.

Other contestants showing exceptional talent were Margaret Bortaw, tap dancer; Margaret Miller Layson and Tommy Fleming, vocal duet; Zed Layson, soloist, and Nancy Layson, who presented a monologue, all from Millersburg.

Locally, Cliff White gained a nice round of applause for his immitations of Roosevelt and Jolson, as did each of the entrees in the two-hour show.

Mrs. Chrontrelle Layson, Millersburg, acted as master of ceremonies.

The Dayton and Shrout Real Estate Agency report the sale of the property of Ettie Edwards to B. C. Ritchie at a private price.

Local Hardwood Teams Taste Defeat In Games During Week

The Carlisle basketeers were victims of an "off night" as they proved no match for Sharpsburg, losing 44-24 in a track meet Tuesday night on the winner's floor.

The starting five, Cavanaugh, Shepherd, Hardin, Booth and Toliver were unable to curb the Sharpsburg attack, who ran up a 13-1 lead before Pitman, Flora, Hughes, Clark and Ruddell were sent into the fray. The "reserve" combination played the remainder of the contest and gave a creditable account of themselves, but were never able to threaten the commanding red team lead.

Pitman led the locals with 11 markers. Other scoring—Hughes 4, Clark 4, Ruddell 4, and Booth one.

Charles Givens also tabbed 11 for Sharpsburg.

CHS 37, Camargo 30

Scorching the nets with 14 points in the last quarter, the Muskrat ecers came from behind a 23-26 third frame deficit to win in initial game of the season here Friday night 37-30.

Billy Tolliver was the big gun in the rousing finish with six decisive points in the closing minutes that served to ice the game. Tolliver led all scorers with 11 markers.

Instrumental in the Camargo conquest was the decided height advantage capably put to use by Jimmy Shepherd and Frank Cavanaugh, elongated forward and center to the green and white floor. The defensive work under the baket of Kimball Booth was complimented by Coach Tebay Rose.

Following Tolliver in the scoring department were Shepherd with 7, Cavanaugh 6, Billy Hardin 5, Gary Price and Booth 4 each. Donaldson was best for Coach Durmon Barnes' Indians.

Kelly and Donovan looked best for the home team in a 24-9 prelim loss.

Next Friday night the Muskrateers will play host to St. Patrick before embarking for a clash with the Bulldogs of Cynthiana December 1.

Friday night, the Blue Jackets lost a heartbreaking 56-54 overtime decision to Minerva in a Licking River Valley conference game.

After trailing 9-11 at the end of the first quarter, the locals came to the front 28-18 at halftime and held a 42-37 third quarter advantage. A hot final period rally by Minerva caught the Jackets 54-54 as the regulation time ran out.

Johnny Fryman, who led all scorers, paced the successful attack with 16 counters, followed by Donnie Gaunce with 15, Ward Shannon 8, Edgar Boyd 7, and Phil Hillock 6. Brannam was best for the winners with 14.

Johnny Lowe led the NCHS "B" five to a 26-16 win in the opener.

Tonight, Coach Wild's charges journey to Mayslick. Tuesday night they return home for a game with the Bourbon Kings of North Middletown.

REPORT SALES

The Scott-Kendall Sales Company report the following sales: the home of Frank J. Hardesty, located on the Upper Jacktown road to Paul Garrett at a private price. Possession is immediate was given.

The 36 acre farm on the Walnut Grove road of the late Mary Stout, colored, was sold at public auction Saturday by James N. Miller, administrator, to Rosie Ingels of Millersburg for $210 per acre.

Also farm lands near Moorefield, property of the late John Bromagen consisting of 15 acres to Glenn Hardin and 70 acres to H. S. Vice at an average of $128 per acre.

Nicholas County Farmers Ready For Tobacco Market Opening Nov. 29

BEA CURRENT CUT OFF FOR TEMPORARY PERIOD

Due to the installation of new transformers in the Murphysville substation, members of the Fleming-Mason R.E.C.C. served from this sub-station will be without electricity from 8 a. m. Sunday, December 3 until this installation has been completed.

C. L. Moore, resident engineer for the F.M.R.E.C.C., stated that these new transformers have become necessary as a result of the ever increasing demand for rural electricity. He hopes that the job will be completed by 1 p. m. on the same day. All times given are central standard.

Should the weather be too bad on the above date, this work will be done on the first good day following.

Many truck loads of burley will roll out of Nicholas county next week for opening tobacco sales Wednesday, November 29.

Weather favorable to putting down tobacco earlier this year, will make more crops to be sold before Christmas, it is believed. Most farmers declare their crops to be heavier and of better color than any in recent years.

Coupled with the fact that the Burley Tobacco Growers Co-operative Association has assured a raised Federal support average from last year's $40.30 to this year's $45.70 representing a $2 to $10 per grade raise, Nicholas farmers have reason to expect the high dollar for their tobacco crops on the 1950-51 markets.

Several local tobaccomen are connected with warehouses in Central Kentucky.

J. Fithian Rye is in Cynthiana with the Wiglesworth Tobacco Warehouses. James T. Clay is a government grader on the Maysville market.

Paris houses claim Lovell Hollar, Dorsey Watkins, Everett Smith and Harold Mitchell, while Joe Allen Stone is weighman for the Home Warehouse in Mt. Sterling.

W. G. P. Ledford and Hicel Asbury are with the Cynthia Avenue and Fourth Street Tobacco Warehouses in Lexington. Raymond Kerns has left for Knoxville, Tenn. where he holds a position with the Light-Myers Tobacco Company. Robert Pitman will act as branch manager on the Scottsville, Ky. market.

Local PTA Members Vote Against UMT

Recognizing various schools of thought concerning Universal Military Training, Mr. E. E. Pfanstiel, guest speaker for the Father's night program of the Parent Teachers Association in the city school auditorium enumerated the more pertinent arguments advanced favoring and opposing this controversial legislation.

Following a brief discussion, the local P. T. A. voted 22 to 10 opposing the UMT program.

Rev. E. V. Carrier, program leader, reminded his audience in the **brotherhood remarks** that democracy was often defined as "government of the people, by the people and for the people" but too often the more important phrase preceding that statement in Lincoln's Gettysburg Address That this nation, under God was omitted. Continuing that thought, he said that a nation without God would not be a democracy.

A barber shop quartet composed of Jimmy Shepherd, Frank Cavanaugh, Billy Blake and Brooks Pitman, with a uke provided several musical entertainment.

Blue Licks Park May Be Enlarged

Blue Lick State Park, the closest state park to this area, upon which was fought the last battle of the Revolutionary War, may be expanded from the 32 acres it now covers to embrace a tract of approximately 100 acres.

The enlargement plan, proposed by Woodworth Clarke of Maysville, director of the National Pioneer Monument Association received preliminary approval at a called meeting of the association in Lexington, Clark said.

The plan was referred for study and final action to the executive committee, of which Clarke is a member.

Mr. Clarke, who is Maysville's city engineer, said the association created the park and owns over 221 acres of farm and timber land adjacent. Only 32 acres now is used for park purposes.

Clarke said the proposal to release the acreage of the park received the indersement of Henry Ward, director of the Kentucky Department of Conservation. The park expansion would provide a shoreline on Licking River and would make the park eligible for inclusion in the National Park Service.

Reduction In TV, Radio Receivers Expected Soon

The present output rate of television and radio sets is expected to drop 25 to 40 per cent after the first of the year due to the governments reduction of civilian deliveries of cobalt.

Cobalt, a steel-hardening agent is important in making magnetized parts of radio speakers and deflection yokes for television sets, and is imported from Africa.

Chamber Of Commerce Adopts Tax Measures

At a meeting of the board of directors of the Kentucky Chamber of Commerce in Louisville Friday, the Committee on Taxation, headed by Dara E. Cross, Sr., submitted the following resolutions which were adopted:

1.) Favoring the taxation of profits of cooperatives.

2.) The taxing of all income producing real property, owned by non-profit organizations, which is now exempt under current laws.

3.) A re-affirmation of the Chamber's stand, taken at its annual meeting in April, 1949, in favor of the recommendations of the Hoover Report for increased efficiency and more economy in government.

4.) A maximum reduction in all non-defense Federal spending at this time.

5.) Opposition to an excess profits tax.

In connection with the resolution concerning an excess profits tax, Cross said that the association was opposed to the law in principle "because it is administratively and economically unsound."

REAL ESTATE SOLD

The Fightmaster Real Estate Agency reports the sale of a house and lot on Locust street for Robert Neal to Tom Huntrieg and a 96 acre farm owned by A. L. Vinson on the Gallis Hill road to J. H. Hardwick.

Rev. Strauss Will Leave December 1

The Rev. George Strauss, minister of St. John's Catholic church, has been transferred to the pastorate of St. Alphonsus Catholic church at Grand Rapids, Mich., effective December 1. He is a native of the Lexington area.

The Rev. Raymond Miller, assistant professor of philosophy at the Redemptorist Seminary, Oconomowoc, Wis., will become minister here.

Paris Church Plans Mission

The Church of the Annunciation opened a mission Sunday to continue through the entire week, conducted by the Rev. George Strauss, who has preached missions in many states.

Services each day are held at 6 a. m., 8 a. m. and at 7:30 p.m.
