Help Mr. Postman

Despite the fact that there is only one mail delivery a day, postoffice officials believe that service during the approaching Christmas season is as good as in the past or even better. It is a humbly possible.

They ask the cooperation of those sending cards and packages by getting them in the mail as soon as possible and before the end of delivery by Christmas Day.

Sometimes December 23 is the last day of delivery before Christmas. Mailers are urged to mail all cards and packages by the 15th of December, or sooner.

The Best Advertisement

The retailer doesn't do this as a matter of charity. He isn't running a charity institution. He has, however, done it, in working for you.

Tobacco Market in Carlisle This Season Unlikely, Officials Here Report

Thursday, November 27, 1950

There is very little probability that an attempt will be made to plant tobacco in Carlisle this season. Three meetings of the board of directors of the Carlisle Tobacco Growers' Association, which was held in the town of Carlisle, failed to reach a decision to plant tobacco in the town.

Deed—Mrs. Chris Hart, 36, formerly Mrs. Missie Dickson, of Carlisle, at her home in Henry County, Ky., was killed by a car on the 27th.
