184-Acre Farm & Personalty
At Auction
Thursday, October 19th
10:30 A. M. on Premises

Holsart Jones who is leaving the farm, has authorized us to offer for sale his real estate located 6 miles north of Carlisle on the Ishmael Road just off Highway No. 32. This farm is a real income builder producing both quantity and quality products. Has plenty of grass and ample acreage for all crops. Well watered and fenced; easily accessible to leading farm markets, school bus and milk truck by door. The farm will be offered in 2 tracts and then as a whole.

Tract No. 1 contains 104 acres of productive bluegrass soil, practically all in grass and ready for cultivation. Improvements consists of a well constructed and comfortable 2-story, 8-room home, Grade A dairy barn, 7 acre capacity tobacco barn, crib, garage, tool house, brooder houses, chicken house and meat house.

Tract No. 2 contains 80 acres of the same type soil as Tract No. 1 and is contigious thereto. Has a good 6-room home, barn and all necessary outbuildings. All buildings in good repair and each home and dairy barn is supplied with electricity; 4.1 acre tobacco base for entire farm.

After the disposition of the real estate we will sell the following:

22 Dairy cows and heifers—(Guernsey, Holstein, and Jersey). 1 Holstein bull, saddle horse, 2 black mares, good; 1 mare, 2 colts, chickens, baled hay, manure spreader, new; case hay baler, 2 mowers, rake, disc harrow, 3 wagons, sled, plows, 1937 Ford Truck, electric milker, electric milk cooler, electric seperator, milk cans, electric sewing machine, tables, beds, dresser, living room furniture, dining room furniture, oil stove and numerous other articles for the farm, dairy, and home.

Prospective buyers will be shown the property by Mr. Jones or by the agents. Early possession of farm land.

288 - Acre Farm
AT AUCTION
Monday, October 23rd
At 10:30 a. m. on the premises

Luther K. Rice of Paris, Ky., who finds it necessary to limit his farming activities, has authorized us to offer for sale his farm in Nicholas County near Jackstown on the Upper Jackstown Road, 6 miles south of Carlisle and 2.5 miles from the Bourbon County line. This is a highly productive bluegrass farm and is well adapted to general farming. The tobacco produced by this farm has that rich, golden color that consistently commanded prices in the higher brackets for many years.

We earnestly invite your inspection of this farm so you may see the livestock, the grass and crops produced this year. Convenient to churches, schools and leading farm markets.

We will offer in 3 tracts and then as a whole reserving the right to make other groupings.

Tract No. 1: Contains 63.5 acres, all in grass and ready for cultivation. Well watered and good fence. Has a tobacco barn in good repair. Has an ideal site for that new home that you have long desired.

Tract No. 2: Contains 125 acres all in grass except 4 acres which is seeded with barley and vetch. Water supply is furnished by cistern, springs, ponds and drilled wells. Fencing good. Has extra good 6-room home supplied with electricity and phone. Tobacco barn and stock barn, with stock pens with loading chute.

Tract No. 3: Contains 100 acres all in grass except 10 acres which has been sown with barley and vetch; ample water supply and well fenced. Has large tobacco barn. Tobacco base for entire farm is 6.1 acres. All tracts are contigious.

Prospective buyers will be shown the farm by Mr. Rice or by Ben Wagoner who lives on the farm or by the agents.

Sale will be held regardless of weather, and if it rains sale will be under cover. Sign on gate.

New Contractor Resumes Work On Nicholas County High School

Here Abouts - - -
- - - with Emily Asbury

The following story appeared in a Wallace, N. C., newspaper and was forwarded on by E. M. "Smitty" Smith to Jett Pittman and thence to me.

"A story is going around that Billy Parker, Liggett and Myers buyer on the local tobacco market, caught a trout last week weighing six pounds, one and three quarters ounces.

"The story goes on to say that the angler kept the trout out so long showing it off that it spoiled, and he did not have the pleasure of eating it.

"There goes someone else following in Bob Fulton's footsteps!

Assistant U. S. football coach Carney Laslie was on hand for the Carlisle-Nicholasville gridiron game Friday night.

I'm told that he was very much impressed with the current CKC leaders as a team and especially the all-around work of Tomball Booth, whose great defensive play was a thing to see.

Laslie was amazed when informed that Booth was only a sophomore. I think he was amazed at the whole team, period.

Ed Ashford, Herald sports editor told me Monday night that Laslie had informed him of his (Laslie's) trip to Carlisle and Nicholasville and his regret that he has been unable to see our boys in action. He agrees that the Carlisle-Versailles game will be a thriller but thinks the Musketeers could win it.

Walnuts are fast becoming one of the county's biggest sources of income.

With the peak of the season not yet reached, local buyers Vivian Scott and Dan Wells report some 500,000 pounds of walnuts already shipped out and another 150,000 pounds stored here ready to be hauled away.

Last season's banner crop totaled well over 1000,000 pounds, but at the present rate, this figure will fall far below this year's expected high.

Ring 'em bells!

To date a total of 3½ million signatures have been obtained for the Crusade for Freedom petition. Some of these signatures belong to citizens right here in Nicholas County, U. S. A.

Next Tuesday at 11 a. m. the 10-ton Freedom Bell, (a replica visited Carlisle this summer) which has been placed in Berlin's City Hall will ring out for the first time.

The sound will be broadcast by radio throughout the free world and in sponsors hope that the sound will be picked up by a tremendous assembly of other bells everywhere.

Walter Shepherd said today that bells of all kinds, from church's cow, would sound off here at 11:00 a. m. Tuesday.

Churches will be open at 11:00 for a three-minute prayer period. Everyone is asked to attend.

The Standard Accident Insurance Company of Detroit, Mich., bondsmen for the May-Bilt Construction Co., of Frankfort, has contracted with Leo C. Miller of Louisville, to complete the new high school as formerly contracted for by the May-Bilt Company.

Work was resumed on the building on October 11 by the Leo Miller Company, with George Grable as engineer, Theodore Sullivan as superintendent, and James Sullivan as assistant superintendent. The steel and all materials for the foundation have arrived and the contractors are now preparing to pour the footings.

The materials for the laying of the water mains from the city lines to the site have arrived and the Whitehurst Plumbing Company of Ashland, will begin the construction of the line this week. G. E. Tennant and Son, local contractors for the electrical work, have most of their material on the site and are ready to proceed with their work as the building progresses.

The furniture for the agricultural department of the new high school, which was purchased by the Nicholas County Board of Education, arrived about two weeks ago, and has been placed in one of the classrooms of the high school department of Headquarters.

Mr. Gaffin assured representatives of the Nicholas County Board of Education that with favorable conditions the building would be completed and ready for the opening of the next school term, September, 1951.

Cash Award Spurs Local V. F. W. Action In "Grass Roots" Program

Post 8666, of the Veterans of Foreign Wars, and its Auxiliary, have launched plans to put forward for a share of the $35,000 in cash prizes to be awarded by the V. F. W. for outstanding community service during the year.

"We are going to do our best to win the $10,000 first prize," Post Commander Jimmy Crouch said. "If we do, it will qualify our Auxiliary to receive a $2,500 award."

William Power, past commander of the local organization, has been named to head the program. Last year, the Lloyd George post ranked third in Kentucky and received a plaque at convention headquarters in Lexington.

The competition is designed as a "grass roots" approach to the problem of combatting Communism. Commander Buntin explained. "This was made clear by Commander-in-Chief Charles C. Ralls who, in announcing the competition, declared that Communism breeds in the soil of poverty and squalor. Therefore, the V.F.W., by offering cash awards for community service projects, hopes to stimulate activities that will destroy the seeds of Communism before they take root in American soil."

Commander Buntin pointed out that "Communism has its greatest appeal to the under-privileged, those who, for one reason or another, enjoy less than their just share of the blessings of democracy. To these, Communism promises better living standards. We intend to get there first, not with mere promises but with positive action.

"We declare that the full opportunities offered by our American way of life should be enjoyed in every community," Buntin said.

Second national prize will be $3,000 to a Post, $1,000 to its Auxiliary if there is one, also $750 to the V.F.W. department and $250 to the Auxiliary Department.

Third prize will be $1,000 for the Post, $500 for the Auxiliary, if there is one, $300 to the V.F.W. Department and $200 to the Auxiliary Department Headquarters.

The contest already is under way, and will conclude as of May 31, 1951.

Extension Course Offered Teachers

A number of teachers from the Nicholas county, Carlisle, Bethel and Bath county schools have enrolled in an extension course which will be conducted each Thursday afternoon from 4 to 6:30 p. m. in the court house.

The course will be conducted by Mr. Hackensmith, head of the Department of Physical Education, University of Kentucky. The subject offered will be Health 150 A, Problems in Health Education, and is open to high school graduates and college students for 2 hours of college credit. This course, which is organized for teachers who wisher to earn extra credit, is also open to those who are interested in continuing their college training.

Mr. Hackensmith met with the group last Wednesday night and gave a general outline of the course. The course will be based on practicable problems in the field of health and the work of the group will be concentrated on solutions that are also practicable.

Any person interested in enrolling, may contact Raymond J. Wesley or Otra R. Frymire or come to the first session in the county court room on Thursday afternoon.

Local Youth Member Security Air Police

Prevention of sabotage and protection against attack on United States Air Force bases was stressed with the graduation Saturday, October 14, of a new class of Security Patrol Air Police, including a number of airmen from Kentucky.

Among the 15 Kentucky residents in the graduating class is Pfc. Everette C. Vice, son of Mr. and Mrs. S. W. Vice, Carlisle Route 3.

For the last four weeks these airmen, most of whom came here direct from basic training at Lackland Air Force Base, Texas, have been undergoing a rigid course of instruction at Tyndall Air Force Base, near Panama City, Fla., commanded by Col. Robert W. Warren, with training under the supervision of Col. Kenneth Johnson.

Written Word Molds Public Opinion

"The greatest molder of public opinion is the written word," Miss Mary Floyd, librarian at Eastern Teachers College, told the Parent-Teachers Association at its meeting last week.

Speaking on the theme, "The Contribution of Libraries to Democratic Living," she said while other countries were burning books, we were distributing them to further democracy. Since democracy is based upon an informed public the library is one of the important keys to Freedom—Freedom to lead.

In the business session preceding the program, Mrs. James Simons, Mrs. Paul Colond, Mrs. Ted Allison and Mrs. Tommy Johnson were appointed as delegates from the local unit to attend the fall conference of the Seventh district, October 18, at Rose Hill High school in Mercer county.

HOMECOMING GAME

Friday, the alumni and letter-men of ole' C. H. S. will be welcomed back to the annual Homecoming celebration. The occasion will be Georgetown vs. Carlisle football game which starts at 8:00 p. m.

All former lettermen will be guests of honor at the game and their free tickets will be given out at the high school Friday. The reservation room will be open to alumni and alumnae who are urged to drop in for refreshments at this time. Special souvenir programs are being printed for this game.

A. P. A. System is to be installed to furnish music and announcements during the game.

All down town town stores are urged to boost their undefeated team by decorating their windows for the occasion. A $5.00 reward will be given to the best decorated window.

This is the first time in 15 years that Carlisle has boasted an undefeated team. These boys are game little players and they deserve all the credit the town and community can give them. So let's get in the spirit of the occasion and make this Homecoming a gala affair for the old grads and the team.

The charges of Coach Tebay Rose's "finishing eleven" sparkled by lit fuses Kimball Booth and "Dooc" Hardin proved far too hot for Nicholasville to handle Friday night as the Musketeers stormed over the Tarrantulas, 19-7 for fifth straight win.

The victory enabled the Musketeers to take over the undisputed number one spot in the CKC and remain the only undefeated team in Central Kentucky as previously unbeaten Mt. Sterling fell before Lafayette 50-0 Friday night.

The spiders probably provided the toughest competition the locals have encountered to date and gave the partisan fans several, uneasy moments before the Musketeers could get rolling.

Late in the third quarter when Ronnie Ward bulled over from the one-foot line after David Wise had intercepted Brooks Pitman's aerial near midfield, Nicholasville racked up the only TD yielded by the strong CHS line this year. Paris, only other team to boast a touchdown against Carlisle, scored on a brave from Smith to Shriver.

The Musketeers took only six minutes to show its superiority. After Pitman had returned a N'ville boot to his own 30, Booth, Donovan and Hardin collaborated

Plug Horse Derby In Mt. Sterling Saturday

The Mt. Sterling Lions Club has announced that they will sponsor a Plug Horse Derby at the Fairgrounds in Mt. Sterling on Saturday October 21. The Plug Horse Derby is becoming very popular in this and other states but this be-ing the first in this section.

There will be sandwiches, soft drinks, coffee, pop corn, peanuts and all the things that go to make a day of fun. The parade at 9:00 a.m. will feature the mules, ponies and horses which will race later in the day. Also it is hoped to have several celebrities on hand to grace the occasion. All proceeds from the Race will go to Lions Club Charities which include buying glasses for needy children (over 400 pairs purchased in four years), children with Spastic Paralysis, and donations to the various drives by national organizations. All are assured of a good day and the race will be run rain or shine.

Community Chest Drive Goal Set At $2,500; Opens Monday, Oct. 30

The lid is off and a goal of $2,500.00 for the county wide Community Chest Drive was made public by the finance committee of the Chest late today.

The drive will open October 30th with the entire town being covered the first day. The county canvass will be completed by November 4.

By request and because of the interest shown by the schools in the Chest poster contest the publicity committee has thrown the contest open to all grades. Any pupil, any grade, or class may make entries. Hitherto, contestants were limited to the 6th through the 12th grades. To allow sufficient time the committee has also extended the contest closing date to October 27 at 5:00 p. m. instead of October 20. Entries should be made on poster paper bringing out the best thought on Community Chests. First prize is $5.00; second, $3.00; third, $1.50. Judges are Mrs. Bess Bromagen, Miss Stella Booth, and Mr. E. E. Plunkett.

The following people will head the Community Chest Drive in their respective neighborhoods: Mrs. Roger Womack, Mrs. Lew Tyree, Wm. Main to Sycamore; Mrs. E. A. $2 POLL TAXES, MAYBE

One method of raising funds for the erection of the Nicholas county high school building soon to appear in the South Western Reporting of Kentucky Court of Appeals cases.

The Board of Education (Nicholas) points to the fact that there has not been a heavy voter's poll tax for the district, and that here is a potential additional revenue of 1,800 polls of $2.00, or $3,600.

WLAP Changes Power, Frequency

Listeners in this area can now tune in, a brand new radio listening service at 630 kilocycles, or 63 on most radio dials. This new service is made possible by the recent increase in power which now gives WLAP 5,000 Watts day time and 1,000 Watts night, on the excellent frequency of 630 kilocycles.

WLAP, an affiliate of the national ABC Network, will bring such network favorites as "Break-fast Club", "My True Story," "Welcome to Hollywood," and a host of other daytime shows. At night listeners in this area may tune in such favorites as "The Amateur Hour," "Your FBI," "Stop the Music," "Inner Sanctum," as well as many famous newscasters such as Walter Winchell, Elmer Davis, Drew Pearson and many others.

Also included on the WLAP schedule will be many special programs tailored to the listeners in the area, such as Daily Weather Reports, Farm Market Reports, Church events which feature news broadcasts in Central and Eastern Kentucky.

WLAP's new facilities will give Central and Eastern Kentucky its first full power station programmed exclusively for the people of the entire Central and Eastern Kentucky area.

Listeners with FM receivers, and those who have late model sets with the new FM band, will also be interested to know that WLAP is installing a 4,000 Watt FM transmitter which will broadcast all regular WLAP programs simultaneously with the AM, or regular broadcast. WLAP's FM will be heard at 94.5 megacycles, or Channel 233 on the FM band.

WLAP is owned and operated by J. Lindsay Nunn and Gilmore N. Nunn. The manager is J. E. Willis.
