Make your advertising copy easy to read, friendly and informative. People read news-papers for the news. Give them facts and news about your merchandise and services.

salesmen do-call on customers and prospects consistently.

2. Protect your advertising investment by in-sisting on audited circulation reports that tell you just with circulation you get for your money. Guesswork is wasteful.

*In order that you may know just what "In order that you may know just what you get for your money when you adver-tise in this newspaper, we are members of the Audit Bureau of Circulations. This is a national, cooperative association of more than 2000 publishers, advertisers you get to your money when you adver-tise in this newspaper, we are member of goes, how it was obtained, how much goes, how it was obtained, how much of more than 2000 publishers, advertises and advertising agencies. Organized in 1914, the purpose of the Bureau is to

establish and maintain definite stand-ards of circulation, audit the circula-tion records of the publisher members and report this verified information to

audit of our circulation. The verified facts and figures thus obtained are issued

facts and figures thus obtained are issued in an official A.B.C. report. Our A.B.C. report tells how much cir-culation we have, where the circulation
