For the Best Looking House

Insist on SWP House Paint

It's WEATHERATED

The Weatherated process means that SWP is subjected to continuous testing in the laboratories and in the field for its ability to resist excessive loss of gloss, high dirt collection, uncontrolled chalking, checking and cracking, rapid erosion, color fading. (All Shervin-Williams point products must poss similar grueling

For that home of yours, the BEST

house paint you can buy is your best investment. See your Sherwin-Williams dealer today. Ask him about Sherwin-Williams paint.

It Pays To See The Dealer Who Sells
