More Corn... Less Cob
 With Southern States Hybrids

Take a look at this big healthy ear on the left. The one with the deep, golden kernels and the small well-wellified cob. It's a typical Southern States Hybrid ear. And it means more corn for you to feed. And more corn for you to sell!

You see the difference for yourself—shell out a Southern States Hybrid ear and an ordinary hybrid ear to compare. You'll get more shelled corn from the Southern States Hybrid. Remember, a few days of these extra kernels per ear makes a whole lot of difference in your total yield.

So ask for Southern States Hybrids... the hybrids that give more corn on less cob. Double guaranteed, they're your assurance of bigger yields... 90%
