You'll save yourself time, these busy days, by keeping a list of the numbers of the out-of-town telephones you frequently call.

When you call by number, the Long Distance operator doesn't have to consult information and your call goes through faster.

That means better service for you—and better service for all America, right now when telephone lines are carrying urgent industrial and

P. S. If you'd like a handy booklet for recording those out-of-own numbers, just call or write the Business Office. Then list 'em lest you forset 'em!
