Christ Is The Answer

Every movement great or small has its slogan. Our own nation has fought two great wars during my life time and for both of them we had well meaning slogans. Our denomination has chosen as a slogan for revival campaigns this spring, "Christ is the answer for all the world."

We are living in perilous times. The world is in a bad, sad fix, and nothing but the grace of the gospel of God can heal.

This, the greatest nation of earth faces disaster. No nation is safe today, and no seer is needed to see it. The papers are full of it, the radios burst forth with it, and tides of the time tell it.

The whole of crime is sweeping our vast domain like a hurricane, till you have never seen a hurricane you don't know what I have reference toon. J. Edgar Hoover said that crime is costing the government more than 16 billions of dollars annually, and that there are more than four million, three hundred thousand criminals in the United States.

Communism is undermining the foundations of our government until unrest, confusion, disorder, and danger lurk in every phase of government, social and capital.

The moral trend is downward. There seems to be an organized conspiracy against purity. The magazines seem to glory in the filthiest and vilest of literature, and the movies are not in a revival campaign for the salvation of the lost in their midst.

However this does not mean that God is unwilling to visit his people with a gracious awakening and soul stirring revival, for He says: "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sins, and heal their land."

We all these fiery facts facing us, surely we must see that it is time to "Repent or perish" or turn on to Chaos. Christ is our only solution. Do we believe it? Will we heed it?

The big task of these times is to preach Christ in the power of the message must be pungent. Evangelism effort is needed in all our churches if we are to save the churches themselves, as well as to save lost souls. Many churches report no souls saved for an entire year. They cannot long exist with such a record. What a church like that needs is a soul-winning, soul-saving, soul-saving evangelistic e amp;amp;amp;
