### Opening For And By

Thursday, May 3, is shaping up to be a big day for Carlisle and Nicholas county. That day will mark the reopening of the newly formed Nicholas County Stockyards company, bearing a new name and a new management, and also a day which promises to be the beginning of a well-earned vacation in this county.

The United States, with their collective thinking and teamwork, have raised the standard of living in rural America to a height that would seem unbelievable in any foreign country.

### Experience Can Be Deadly

Experience can be dangerous—over deathly. This may surprise you, but statistics compiled by a leading insurance company show that more than 98 per cent of all farm fatal traffic accidents were caused by drivers with only one year's experience.

### Grass Roots Opinion

I am glad to see that you have taken the time to get the opinion of the people who are actually engaged in the production of the goods and services which are the backbone of our country.

### Salute To Homemakers

Five organizations merit the salute of the people of this county more than the many hundreds of clubs we have scattered throughout this area.
