# Here's Where the Pounds Pay Off

fully poised performance, but it starts with stalwart structure and ample trouble-free for the life of your car. weight-plenty of pounds where pounds

Please don't get us wrong. This isn't "deadweight." Though a Buick like the one pictured here tips the scales at more

the road.
You head into a curve and hold firm and head Fireball power-packing a power-ful punch of velvet velocity.

hit a stretch of washboard gravel-your ear holds its level course. —a front-end geometry that's pure genius —the finest brakes ever put on a Buick. A lot of things account for this beauti- And every wheel rides on shock-eating

You'll also find-by a few moments of simple arithmetic-that the pounds in

First thing that people notice when that two tons, it's as nimble as an ante-loge at play.

they take over a Buick is the sure-loge at play.

that a generous hoodful of valve-in-head Fireball power-peaking a power-log-toking a power-log-toki
