want to cruise.

When you take a curve, it snugs down to the road with sure-footed confidence.

To top all this, there is Dynaflow Drive*—that feeds power in a steady, falterless flow—lets you ride relaxed

After you make a turn, the front wheels instinctively seek a straight course. This car seems to guide itself.

If you think perhaps we're hinting that it would be a good idea for you to try out a Buick—mister, you've herver been so right.

When you come to a bumpy stretch, in busy traffic or on a day-long cross-too to ray out a Buick—mister, you've spring steps you smoothly along on a level keel.

Here we're willing to stand on the statement that no other car rides, performs or the statement that on other car rides, performs or the statement that on other car rides, performs or the statement that on other car rides, performs or the statement that on other car rides, performs or the statement that on other car rides, performs or the statement that of the statement that the statement that it would be a good idea for you can be presented by the statement that it would be a good idea for you can be presented by the statement that it would be a good idea for you can be presented by the statement that it would be a good idea for you can be presented by the statement that it would be a good idea for you can be presented by the statement that it would be a good idea for you can be presented by the statement that it would be a good idea for you can be presented by the statement that it would be a good idea for you can be presented by the statement that it would be a good idea for you can be presented by the statement that it would be a good idea for you can be presented by the statement that it would be a good idea for you can be presented by the statement that it would be a good idea for you can be presented by the statement that it would be a good idea for you can be presented by the statement that it would be a good idea for you can be presented by the statement that it would be a good idea for you can be presented by the statement that it would be a good idea for you can be presented by the statement that it would be a good idea for you can be presented by the statement that it would be a good idea for you can be presented by the statement that it would be a good idea for you can be presented by the statement that it would b never been so right.
