THE BIBLE SPEAKS

As I write this piece for the Carlisle Mercury, I am reminded of the words of the Bible. The Bible is a book that has been written for the benefit of all men.

Seeing God's Hand

It is not in our hands, but in the hands of God. We must learn to see His hand in all that we do, and to trust in His mercy and love.

Beef Bulls Could Retard Dairying

Beef bulls, when used in dairy herds, tend to slow up progress in dairying. So decided the directors of the National Dairy Producers' Association.

Parent Problems

Wife's Death

When a woman's husband dies, she is often left with many problems. She must find a way to support herself and her children.

Widow's Tears

The widow's tears are a sight to be seen. They are the tears of a woman who has lost her husband, and who is struggling to survive.
