day.

The Christian church choir will render a musical program at the C.M.E. church in Millersburg Sunday night.

CANE RUN

... hand-weeding next spring! ... time, money and labor with for fumigating tobacco plant beds

By gassing your plant bols NOW with Dowfune MC-2, you lay be groundwork for a profundate obserce oray. Here's why:

You get ind owned seed, seemands and not linears eight at the start before the copy in plants. In a weed-free

You go set not you the start before the copy in plants. In a weed-free

You go way with the hard work of preparing plants below by burning.

You aswe howers of hand-weeding after the seedlings are up.

Tokscon farmers have seen the results of speedy, low-cost soil treasment with Dowfrom MC-2.

SAVE ... burning plant beds!

dsk your dealer about Doufume MC2 and the simple equipment for its application. See him today!

THE DOW CHEMICAL COMPANY . MIDLAND, MICHIGAN

You lift your telephone-simplest gesture in the world. Yet what a world of useful service it brings within resel of your voice! A single call may speed your work, add to

your fun, calm a worried mind, or give your whole day your fun, calm a worried mind, or give your was kevely jown from the sound of a well-loved voice, And the value of the telephone keeps growing all the telephone keeps growing all the while, as the number of telephones grown. This means you can call more people than ever before, and more can call you. Southern Bell Telephone and Telepand Co.
