Nicholas County Man Dies In Cynthiana Hotel

Lawrence Walton, 59, a Nicholas county farmer, was found dead in a hotel bed Tuesday in Cynthiana.

Coroner David Rees, who is investigating, said Mrs. Walton reported he had been ailing a few days but had telephoned her to meet him at the hotel Tuesday.

The coroner said an empty bottle, believed to have contained a poison, was found beside the bed. Mrs. Walton said her husband had been employed recently in Cincinnati.

Survivors, besides his wife, include four daughters, Mrs. Roy Thaxton, Germantown; Mrs. Herral Arnold, Lexington, and Mrs. Clifford Snodgrass and Mrs. Rosa Bradley, Cincinnati.

Musketeers Slip Past Bulldogs; Score In Last Canto To Win 19-18

Bouncing back from a 12-point deficit, the Carlisle Musketeers opened their 1951 grid season by overcoming the Cynthiana Bulldogs 19-18 in the final minutes of the last quarter, at the local athletic field Friday night.

Behind 18-6 midway in the third quarter the vaunted Musketeer offense finally began moving and put on sustained drives of 80 and 78 yards respectively to down the victory-hungry Bulldogs.

The final scoring drive began on the Carlisle 22 yard line where Pitman, Musketeer safety man, was downed after returning a Cynthiana punt.

Begin Scoring Drive

Booth began the match by picking up two yards through the left side of the line. Then Billy Cunningham his first appearance as halfback, knifed through the center of the line for ten yards and a Musketeer first down. Booth, trying left end lost two yards. Carlisle hopes failed when the next play resulted in an incomplete pass. But on the next play, Pitman lateraled to Booth in an what appeared to be an end run. Booth, after a few running steps, dropped back and knocked a pass to Galley which was good for 35 yards and gave the Musketeers a first down on the Cynthiana 31-yard line.

Clark broke away on the next play and went 20 yards to the Bulldog 11 before he was pulled down.

Clark banged through left tackle to the five yard line from where Donovan carried it over on the next play. Then Donovan went straight through the middle to add the deciding point.

Bulldogs Grab Quick Lead

Cynthiana won the initial toss and elected to receive. The Bulldogs grabbed a quick lead before the game was three minutes old Receiving the kickoff they returned the ball to their own 32. One play netted nothing and then a 15 yard penalty for offensive holding pushed the Cynthianians back to their 17. From this point Jake Fowler carried around his own left end behind beautiful down field blocking and was out in the clear when Jimmy Shepherd, Musketeer tackle, hauled him down on the Carlisle 47.

After a couple of plays Virgil Florence, adept Bulldog quarterback, launched a pass to Jake Fowler which was good for the first down and placed the Bulldogs to point in scoring position.

Score Again

Minutes later the Cynthiana team scored again to bring the total to 12 points. Their initial play kickoff and returned it to the 25 where after two plays Clark fumbled and Cynthiana recovered on the home team's 27 yard line.

Five plays later found Jake Fowler in the Carlisle end zone standing up for the score. Again Fowler kicks for the extra point was no good.

The Musketeers, at this point seemed to come alive and after Booth returned the kickoff 20 yards to the Carlisle 40, the first of Carlisle's long scoring drives began.

A penalty on the kickoff moved the ball back to the Musketeer 25 yard line, from where the locals began to move. A five yard penalty against Cynthiana brought the ball to the 30. Pitman tossed to Hughes for four, Booth went around end for two, and the Booth cutback through left tackle for the first down. Another toss from Pitman to Hughes netted five. Donovan carried the ball for another first down. Pitman to Galley picked up five more, and Clark hit the line for seven and another first down and the quarter ended with the ball resting on the Bulldog 26.

Booth Scores

A 15 yard penalty set the Musketeers back momentarily and after a couple of line plays, Pitman hit Clark with an aerial on the 16 for a first down. Booth around left end and a pass from Pitman to Hughes placed the ball on the four yard stripe where Booth hugged the ball over for Carlisle's first touchdown of the season. A line play for the extra point failed.

Carlisle's kickoff to Cynthiana was returned to the 50-yard line by Norm Fowler where Jimmy Hughes nailed him with a bone-crushing tackle. A couple of first allies on both sides followed, with neither side threatening until the half ended with the locals on the short end by 12-6.

Cynthiana picked up its last score of the night when after the kickoff to Carlisle a bad to center to Donovan on a fourth down punt play ended with the Bulldogs gaining possession on the Musketeer five-yard line. Norman Fowler scored for Cynthiana on the first play from scrimmage, but the Cynthiana's try for the extra point was no good.

Tide Turns

From here on in the Musketeers buckled down to business. Booth returned Cynthiana's kick to the 20. He then picked his way nine yards to the 29. Clark through the middle garnered the first down. Booth picked up two yards, then a Pitman to Galley pass netted seven. Booth cracked the line for another first down as the Bulldogs began to roll.

A 15 yard penalty against the Bulldogs helped the cause considerably and then with Booth, Donovan, and Clark adding up some nice gains through the left side of the line, they made it with a first down on the Bulldog four.

Then Booth scored his second touchdown of the night as he ballied his way through the center of the line for the T.D. A line play for the PAT was no good.

After the kickoff Carlisle held the Bulldogs on downs and then blocked a Cynthiana punt in what appeared to be a good break for the locals. However, Jake Fowler picked up the ball and ran it out to the Cynthiana 45 yard line for a Cynthiana first down. The Musketeers again held for downs and caused the Bulldogs to punt but the locals were unable to carry the ball.

Chicago Minister At Moorefield

Dr. Kenneth B. Bowen, minister of the Morgan Park Christian church, Chicago, Illinois, will be the guest speaker at the morning service next Sunday, Sept. 16, at the Moorefield Christian church.

Dr. Bowen is a former president of the Sharpsburg and Bethel Christian churches, which he served well while a student in the College of the Bible in Lexington. He has held a number of other pastorates during his 38 year ministry, including a 17-year position as the pastor of the Madison Avenue Christian church, in Covington. Dr. Bowen left Covington to assume the presidency of the College of the Bible in Lexington, which position he held for three years, after which he moved to Chicago.

Due to his connection with the Bethel and Sharpsburg churches, Dr. Bowen has been asked to deliver the sermon at the annual homecoming union service of the two Bath county churches with Moorefield, which is to be held this month at Bethel.

The service, which begins at 7 p. m. is open to all friends of the three congregations. A special invitation is extended to all friends of Dr. Bowen to attend both the morning service at Moorefield and the union service at Bethel.

Muskies To Battle Greyhounds Friday

The Carlisle Musketeers will travel to Paris Friday night where they will engage the Paris Greyhounds. Paris suffered a 12-0 setback last Friday night at the hands of the Irvine Golden Eagles and has just their first string quarterback, Jimmy Myers, who suffered a fracture of a small bone in his right arm during the contest. Wayne Shumate is scheduled to start at quarterback for Paris.

The Muskies appear to be in good physical shape for their encounter with the Greyhounds. Blocking and tackling took up most of the practice drills this week for the local team.

Game time Friday night has been set at 7 p. m. our time and 8 p. m. Paris time, since they are still operating on fast time.

SAUNDERS FARM SOLD

The 69-acre farm of Mrs. Percy Saunders, located on the Headquarters and Saltwell road, was sold by the Scott-Kendall Sales company at auction Saturday, to Joe Burden at $9,200.

Swimming Pool?

A mass meeting will be held in the Carlisle courthouse next Tuesday night to discuss whether or not Carlisle and Nicholas County can afford to build a swimming pool.

Time for the meeting is 7:30 p. m.

The Community Recreation Council is holding the meeting in response to various queries this past summer of why we can or cannot build a pool.

The Council has estimated costs of a 30x70 pool with a construction firm in Florence, Alabama, and a representative of this firm will be in Carlisle during the nexts few days to confer with leader of the Council on how to go about building a pool in this county.

Mrs. Thomas Johnson, a member of the council, said Tuesday that the meeting would be held Tuesday night in order to find out whether or not citizens of this community are receptive to the idea of having a pool.

She urged that all civic organizations of this town and county be represented at the meeting and for them to state their point of view concerning the project.

Talk about a swimming pool in Carlisle began early this summer, when various civic groups discussed the plausibility of such a project. When it was found that the National Production Authority had imposed a ban on concrete non-essential building over $5000, the idea was considered dead.

However, the firm in Florence, Alabama, who have been conferring by letter with the Recreation Council informed the council that upon application to the NPA a permit may be granted, thus giving the civic organizations new hope for a pool for this community.

Where the pool will be located if the project is given the green light at Tuesday night's meeting is still in question.

FPC Turns Down United Increase

The Federal Power Commission last week suspended a proposal by the United Fuel Gas Company for a 20 percent increase in wholesale natural gas rates to their customers. The commission suspended an increase pending a hearing.

The proposed increase would be applied to the Central Kentucky Natural Gas Company since they are one of United's customers.

The Central Kentucky Natural Gas Company recently asked the FPC to grant them a raise in their rates to customers, giving the raise asked by United as one of their chief reasons. Since the Central Kentucky Company is selling gas to Carlisle, and had proposed to increase our rates, it appears that this is a favorable development for the city of Carlisle's new gas system.
