CHRISTIAN SCIENCE

Sunday, September 23.

"Matter" is the subject of the Lesson-Sermon which will be read in all Christian Science churches throughout the world on Sunday, September 23, 1951.

The Golden Text is: "My flesh and my heart faileth: but God is the strength[of my heart, and my portion forever." (Ps. 73:26).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Thou I walk in the midst of trouble, thou wilt revive me: thou shalt stretch forth thine hand against the wrath of mine enemies, and thy right hand shall save me." (Psal. 138:7).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "In the infinitude of Mind, matter must be unknown. Symbols and elements of discord and decay are not products of the infinite, perfect and eternal ALL. (P. 280).

CHS Underdogs For Friday's Game

The Green and White wave as Carlisle will roll into Hazard Friday night seeking their fourth win of the season.

The Muskies, currently riding the crest of the CKC, were hard-pressed last week at Stanford to win 7-6 in the closing minutes and Coach Rose was not in the least impressed with the performance his boys put on.

Hazard, loser to Louisville Flaget last week by a score of 47-13, is definitely favored to win the contest. They have played several top teams of the state the past three weekends, and will be hoping to snap the Musketeers victory string.

The game is not a Central Kentucky Conference contest and will have no bearing on the Musketeers won-lost record in that loop.

The rain has hampered the Musketeer practice sessions this week but the first team all appear to be in good physical shape.

Coach Rose said that he will probably start the same lineups that he had used in his two previous contests. They are Hughes and Gilley, ends; Shepherd and Kelley, tackles; Carter and Bussell, guards; and Flora, center. Pitman at quarterback, Donovan and Clark at halfbacks and Booth at fullback.

In The Service

Transferred to San Diego

A. T.-3 Ronald Williams, formerly stationed at Sangley Point in the Philippine Islands, has been transferred to San Diego, California. Williams and his wife, of Detroit, Mich., were here last week visiting his parents, Mr. and Mrs. James Williams.

Completes Furlough

Pvt. William Davis left Monday for Camp Campbell, N. J., after spending a nine day furlough with his parents, Mr. and Mrs. Odis Davis, Route 3.

Assigned To Ship

Thomas C. Dixon, son of Mr. and Mrs. Richard Dixon, Lexington, has completed a 12 week training course at the Storekeepers school in Bayonne, New Jersey, and has been assigned to the S. S. Seneca at Norfolk, Va. Before leaving for Virginia he spent a ten day leave with his parents. He is a graduate of Henry Clay high school and attended the University of Kentucky.

Musketeers Down Stanford 7-6 To Win Third Straight CKC Tilt

The Carlisle Musketeers gave Coach Ichay Rose a birthday eve present last Friday night as they hung on by the skin of their collective hair—as they waited until the last two minutes to edge the Stanford Yellowjackets 7-6 in a Central Kentucky Conference tilt.

The Musketeers, in winning their third contest, looked ragged throughout the game as they failed to lock the drive and spirit that they had shown in their two previous outings.

Playing heads up ball for the locals all night long was quarterback Benny Donovan. Donovan, playing defensively in the line backing capacity, stopped the Stanford ball-carriers time after time during the game as well as playing a bang-up game offensively.

The Musketeer offense was unable to get going until the fourth quarter when with the aid of two 15-yard penalties against Stanford and a 20-yard run by Billy Clark put the ball in scoring position.

Stanford opened the scoring in the second quarter when a Spoonamore to Long pass resulted in a 30-yard touchdown play. The try for the extra point was short.

The Wildcats held on tenaciously to their six point lead and neither team threatened again until midway in the fourth quarter when Carlisle scored a touchdown that was nullified by an offside penalty against the Musketeers.

Play by quarters:

First Quarter

Carlisle kicked off and held Stanford for downs. Stanford punted and the ball was downed on the Carlisle 45. After two plays, Booth fumbled, and Stanford recovered at midfield.

On a series of running plays the Wildcats moved the ball down to the Carlisle 15 where the Muskies recovered a Stanford fumble. Stanford immediately intercepted a Musketeer pass on the Carlisle 25. After a five yard penalty against Stanford the pass play for the touchdown gave Stanford their six-point lead. The point try was no good.

Donovan returned the Wildcat kickoff to the Carlisle 30. Booth stopped for no gain, then picked up four yards. After an incomplete pass Donovan kicked to the Stanford 45. Carter and Shepherd downed the Wildcat safety man. Carlisle held for downs and Stanford kicked out to the Carlisle 45 as the first quarter ended.

Second Quarter

Booth picked up six through center, Donovan picked up eight and Booth a first down. Clark made five through the line, Booth lost a yard, and then made an end run for the first down. Carlisle penalized five yards. Clark failed to gain, Booth lost three, then picked up six, and an incomplete pass gave the ball to Stanford.

Stanford passed for a first down, then picked up another first on two line plays. Clark intercepted a Wildcat pass as the half ends.

Third Quarter

Booth returned the kickoff to the 40. Donovan gained seven through left tackle. Booth gained two through center. 15 yard penalty against Carlisle. Donovan gained two. Five yard penalty against Stanford. Donovan punted to Stanford 30. 15 yard penalty against Carlisle. Carlisle held for downs after a five yard penalty against Stanford and the Wildcats punted out to the Carlisle 22. Booth gained three. Donovan gained five. Booth went through center for a first down as Stanford was penalized five yards. Booth picked up five and a first down. Donovan gained four and around left end. Pitman picked four on a quarterback sneak. Pitman picked up a first down. Clark lost one on an end run. Pass from Pitman to Clark was dropped for eight yards. Donovan punted to Stanford on his own 20.

Fourth Quarter

Ball on Stanford 23. Booth picked up three through center, Donovan gained two through left tackle. Booth picked up the third 10 for a first down. Clark gained five on gain. Booth gained nine around right end. Pitman scored on a quarterback sneak. Booth seven around right end; Pitman gains first down on quarterback sneak. Clark gained 20 yards through center and Stanford penalized 15 yards for unnecessary roughness as Clark is slugged as he is tackled. Ball on Stanford 24. Booth two, Donovan gains six, Booth loses one, 15 yard penalty against Stanford gives Musketeers first down on Stanford 11. Clark gained four through center. Donovan stopped for no gain. Donovan picks up five. Booth scores around end.

Donovan bucked for the PAT. Carlisle kickoff returned to Stanford 45. Carter breaks through and throws Long for eight yard loss as game ends.

Youth Fair Expected To Be One Of The Best

Store Manager Enters Contest

Mr. Hobart Stall, Kroger store manager here, has entered a company-wide sales contest in which an all-expense paid winter vacation in Florida is offered as first prize.

He is competing against other store managers in this area from which winners will be picked. In all, 48 Kroger store managers and their wives will leave for Florida on January 4, 1952. During their Florida visit they will see St. Augustine, Marineland, Daytona Beach, Silver Springs, Cypress Gardens, and Miami Beach, where they will stay at the exclusive Vanderbilt Hotel.

In addition, more than 3,000 prize awards will be divided by store employees throughout the company. The local store will compete against six other stores of comparable size, with all employees of the store showing the highest sales gain during the eight-week period of the contest receiving prize awards. Prizes will include home appliances, home furnishings, sporting equipment, jewelry and clothing.

To assist Mr. Stall in winning these awards, the company has scheduled an anniversary sale during the contest weeks, September 17 to November 24, celebrating Kroger's 69 years in the food business.

"My Old Ky. Home" Homemaker Theme

"My Old Kentucky Home" will be the theme of the sixth annual meeting of the Nicholas County Homemakers Association which will be held Wednesday, Oct. 3 at the Carlisle Christian church at 10 a. m.

Mrs. Robert Feeback, county president, will preside at this meeting.

Reports on the progress made by the homemakers in 1950-51 will be given by the following chairmen: Reading, Mrs. George B. Carter; Membership, Mrs. John Clinkenbeard; Citizenship, Mrs. Rachel Stacey; Publicity, Mrs. Ward Ecton; Foods, Mrs. Ermine Ritchie; Clothing and Personal Grooming, Mrs. Warner Lee.

Ruth Saunders, Fayette county home agent, and Mrs. M. S. Gaviside, Fayette county, will show colored slides of their trip to Europe.

These will be shown at 1:30 p. m. The Kentucky Homemaker is urged to attend this meeting.

Five Hunters Arrested On Trespassing Charges

Five squirrel hunters were arrested Sunday by Deputy Sheriff Clinkenbeard and Deputy Sheriff Milton Fryman for trespassing on posted property.

Arrested on the Clay farm were Don Qualls Sr., Don Qualls Jr., and Dempsey Qualls, who gave their addresses as Ashland. They were fined $10 and costs in county court.

Arrested on the farm of Bill Ledford were a couple who listed their names as Mr. and Mrs. Clark, Prestenburg. They were fined $5 and costs.

Youth Center Opening Discussed By Group

A group of young people met this week and discussed plans for re-opening a youth center for local teen-agers. A committee from the Younger Woman's Club is seeking a location for the center.

The center committee is composed of Miss Mary Margaret Hutchings, Mrs. Jack Hanley, Mrs. William Caldwell and Miss Emily Asbury. Representing youth were Misses Betty Sexton, Sara Nell Seamands, Annette Hughes, Betty Caywood, Ann Asbury, Brooks Fitman and Gary Flora.

CLOTHING NEEDED

Many of the less fortunate children in Carlisle and Nicholas county are badly in need of some warm clothing for the coming winter.

Any children's clothing or shoes that your child has outgrown or is not in good condition will certainly be appreciated by these unfortunate kids. So, parents, rummage through your attics and closets, and bring the discarded clothing to the Red Cross office on Main street. The local chapter will see to it that it is put to the best possible use.

This is another opportunity for you to open your hearts. It wouldn't be for a worthier cause.

Twenty To Report For Physical Exams

Twenty men will report for preinduction physical examinations in October from this county, Miss Hallye Griffin, local draft officer announced this week.

The first group, which will report Tuesday, October 2, includes Charles Pryor, Battle Creek, Mich.; William Stanley Hardin, Carlisle; Jimmie Bretz, Lexington; Kenneth Howe Hurst, Route 1; Robert Daniel Herrington, Route 3; Grover Rufus Snapp, Carlisle; Reynolds Pierce Bond, Paris; Talmadge Hatton, Route 2; Billy Walter McCall, Myers; and Ira Alton Barlow, Moorefield.

Minister Advises Parents To Teach Children About God At Home

E. V. Carter

Most of God's ways are hard to follow. And when the world is being led by the ministers of America this week I wish to call the parents attention to the fact that God has also made responsible for his own children.

Read the story of Eli in the second chapter of the second book of Samuel. See how God holds Eli accountable for his sons' sins. Whether you like it or not, if your sons grown up into a wordly, churchless, Christless ingrate, you will have to answer for his soul before the throne of almighty God.

If your daughter turns out bad, God will hold you accountable!

If your family has no respect for God, no time even to say "thanks" at the table; if your home is a prayerless home, you are to blame. I didn't say so, God does.

If your children are out all night on Saturday and sleep till noon on the Lord's day, if they head for the picture show Sunday night instead of the house of God, you and they will have to answer to God some day.

I know there are some that will not agree with what I have said, but there are many that will, for in every hamlet, village and town there are many hearts that have not yet bowed to Baal.

God has a trail mapped out for man! God's paths are the best paths for man to follow. And wandering from the trail brings to man only heartaches, and heartaches (Galatians 6:7).

Throughout this "Building Bible Hour" series we shall seek that trail, and we shall let God show the way. For many homes are already wrecked by sin there is little hope. But thousands of homes are trembling on the brink of destruction are still standing; homes in which there is still opportunity for a life. For them there is hope through ministers will but sound forth the warning.

Then think of the millions of boys and girls—high school age, older young people, and more children. To-morrow they will be marrying and building homes. Shall we do our dead-level best to help them "Build Bible Homes"? Shall we show them how to follow God's blueprints and build homes that will be miniature previews of heaven, or shall we remain silent and let them build little imitation "hells"? No! We will not remain silent but we too, like Joshua of old, wi cry, "Choose you this day whom ye will serve . . . but as for me and my house, we will serve the Lord."

Make your plans now to bring your children and attend all these services. The first message will be delivered Sunday night, Oct. 14.

Tobacco Crop Reported Good

This year's tobacco crop in Nicholas County is reported to be one of the best in this section of the state, according to local agriculture officials and farmers.

Cutting on the crop started about two or three weeks ago and a lot of it is already in the barns. However, much of it remains to be cut, as much as 50 per cent and Tuesday of this week slowed up the process.

Everett Stephenson, East Union farmer, who has done quite a bit of tobacco buying, told County Agent Bill Straw that the tobacco farmers in East Union and Carlisle is some of the best that he had seen anywhere.

Mr. Straw estimated that Nicholas County's crop this year would exceed the million and a half pounds that were sold from this county last year.

Help and tobacco sticks have been reported as short as well as barns, which these shortages have played some part in prolonging the cutting and housing.

Tobacco seems to be the main topic of conversation these days as the work progresses. Here is what some of The Mercury's county correspondents have to say about it:

Case Run—A few of the farmers around here are through housing tobacco.

Bald Hill—This community is hoping Jack Frost will delay his visit for there is lots of tobacco out and not enough barn room.

Bunts—The farmers are quite busy housing tobacco.

Little Rock—Tobacco housing is still underway in this community. Recent rains have hindered the work and much remains to be housed.
