### We Must All Swim Together

### The Government Should Help

A swimming pool for the children of this community undoubtedly has been the first form of recreation that city-wide citizens of Carlisle and Nicholas County could provide for their young people.

Several obstacles, however, stand in the way of this attempt to acquire the pool. Although the pool would seem to be the principle benefit to all the people of this community would be the greatest hindrance.

But, there is a general lack of interest in the project, that it would be of no use for a small group to give of their time and endeavor toward acquiring the pool.

It is up to the people to decide whether or not they want the pool. It is to be their voice their opinions regarding the subject.

Representatives in the past have kept the subject up at meetings in the near future. It is then that you will have a chance to give your "yes" or "no."

### Check That Impulse

An incident that happened at the Carlisle-Stanfard game Friday night could bear some reflection.

The referees were having a difficult time in making the game play smoothly. Upon one occasion when the officials called a considerable amount of trouble, which came from a foul on a light.

Although lacking the referee in any case, that is as far as should go. If a foul had been called, the referee should have been responding from the CMC might have the referee of this type would certainly give a foul and the referee would have to see the next check that impulse, and save everyone a lot of embarrassment.

### Snaps Hurt When Melon Thrown Into Car

Thursday, September 24, 1951  
 Morefield, as a price of approximately \$100 per acre, for the land in Jenkins after a visit with relatives in the city in this county, Mr. and Mrs. C. S. Snapp suffered snaps and bruises when passing motorists handed pieces of watermelon on their automobile. One large melon was hurled through the windshield (specifying) and hit the car and driver.

Mr. and Mrs. W. R. King had severe pain in the last few days in the result of a fall in his car in the Fivee section of the county when he tore loose ligaments in his leg.

### Martin's
