Warren R. Fisher Jr., Publisher

William J. Fluty, Editor

### SUBSCRIPTION RATES

\$2.50 per year, \$1.50 for six months

### The Festival Is Over

The Blackberry Festival is over. The three-day event attracted several thousand people into Carlisle, and was by far the biggest celebration that Carlisle has had on the Fourth of July.

### Conservative ?

corruption and crookedness eating away the dignity and moral fiber of our government.

### Honestly Comes First

The latest graduating class of famous Texas A. & M. College was addressed by the president of an oil company whose headquarters are in Houston.

### Sheriff Curry Narrowly Escapes Drowning. Thief Sells Store Interest To Hamilton Bros.

Hamilton, July 7, 1932. Sheriff Curry narrowly escaped drowning when he drove his boat into Brandy Fork at the ford in the rear of the store last Monday morning.

### Deborah, a Woman of Courage

Deborah was a woman of courage. She was a woman of courage. She was a woman of courage.

### INSIDE WASHINGTON

It is interesting to note that Senator Underhill of Kentucky has voted on the consolidation of all three kinds of controlled areas in the Senate in recent days.

### AMERICAN IRON CERTAIN

AMERICAN IRON CERTAIN—Congressional pressure may be exerted to force Kentucky to work permission to start the Charleston Electric Co.

### DEBORAH, A WOMAN OF COURAGE

Deborah was a woman of courage. She was a woman of courage. She was a woman of courage.

### DEBORAH, A WOMAN OF COURAGE

Deborah was a woman of courage. She was a woman of courage. She was a woman of courage.

### Sometimes...

The old adage that lightning never strikes twice in the same place is proved by the fact that lightning struck the same place again last week when lightning struck the same place again last week.

### College Radio Schedule

A program of special interest to homesteaders and farmers may be heard every Saturday at 10:30 a. m. on C.V.E. over radio station WMAN.

### Farm Animals Need Minerals In Feeds

Research of the Experiment Station of the University of Kentucky shows that certain animals included in the feeds of farm animals, if they are to grow properly, should be supplied by combinations of foods or supplements.

### SADDLE OL' PAINT AND R-R-RIDE!

The old adage that lightning never strikes twice in the same place is proved by the fact that lightning struck the same place again last week when lightning struck the same place again last week.

### Summer Frolics Plans

The department of Music and the Glee Club of the University of Kentucky will present a series of musical entertainments in the form of a musical comedy.

### Working Along the River

Working along the river, the project of building a dam at the mouth of the river is being carried out by the Kentucky State Board of Conservation.
