**You're on schedule all the time with automatic electric hot water heater**

Hot water made press of dial. Hot water gets clothes whiter and brighter in less time, with less work. Hot water loosens dirt on floors and work. Hot water saves work and time whenever you use it.

An automatic electric water heater keeps a big reserve supply of hot water ready for all your needs. You don't have to wait for an electric water heater to "catch up."

Now is the time to buy!
