Easier Electric
Get Efficient Economical Electric cooking and water heating
All household tasks go easier with electricity doing the work. Get complete freedom from old fashioned, hit and miss methods of water heating and cooking. Get a modern electric range and water heater now.
Electric cooking is so fast, so clean, so convenient, speedily surface units heat up right now, put the heat into the food, not the cook. Automatic controls take all the guesswork out of baking and roasting.
Natural companion to the electric range in any home is the automatic electric water heater with its matchless convenience, safety, cleanliness, dependability, and low cost. It saves you work—and worry.
Only a few pennies a day in electricity will give you a new lease on easier housework. Go easier—go electric.
