FOR SALE— Detroit where Boone was adopted into the tribe and given the name "Big Turtle." Learning of British and Indian plans to attack Boone, he through the wilderness to warn the fort of the attack.

Sam Kenton was reported availing the site in 1777, with about 100 Indian soldiers. He and his men were killed at the point. However, Hunter and other soldiers around Blue Lake believe that it will uncover just as much as the old Indian trail.

What further excavation will be made at the spot is not known. It is estimated that the site is about 100 feet from the present location of the site.
