Ordinance Provides Employment For 50; Telephone Service Connects Maysville

Thursday, December 7, 1953
As the regular monthly meeting of any body is practically as good as a foregone conclusion for the purpose...

Arthur Mullikin of Carlisle has been appointed an appraiser for the Federal Land Bank at Louisville...

MARRIED—Miss Lucille Reid, daughter of Mr. and Mrs. Charles Reid and Mrs. Walter George, son of Mr. and Mrs. Will George...

Shel Fortback has sold his property on Eastern street in Mt. Vernon to Mrs. Arthur Fred Price paid in private.

This section has enjoyed the midday December for many years. The thermometer has not been lower than 40 during the past week and has reached 75.

Stirling Sontinen, Maysville half-back, has been given honorable mention in the citation of an all-Central Kentucky C-Team from ball team by Edwin Anderson sports writer.

Because of bad weather there has been practically no skating here for rabbits during the past week.

The lands of the late Mrs. Bira Hickok and Mrs. Otis Tilton will be sold at public auction next Monday.

G. C. Campbell, captain of the local national guard unit, has been

Letters to the Editor

Thank you, Mr. Editor, for the letter about the children's fund. I have been thinking about it for some time and I am glad to see that you are making public your appreciation of our youth.

J. W. Bryant of Shelbyville, an open drug store on first floor of my residence.

H. N. Rankin has residence of C. C. Collier, now occupied by George Egan, on 1500 West...

Following is a list of names of those who have given to the fund...

State's Population Tends To Decrease

According to population estimates of the Department of Rural Kentucky, the state's population is declining at a rate of 100,000 people a year.

The population of Kentucky in 1943 was estimated at 2,314,476, a decline of 1.1 per cent since April 1, 1940.

The report, written by Paul D. Richardson and James S. Brown, notes that there is a continuing movement from farms to cities.

The population of Kentucky in 1943 was estimated at 2,314,476, a decline of 1.1 per cent since April 1, 1940.

The report, written by Paul D. Richardson and James S. Brown, notes that there is a continuing movement from farms to cities.

Bear Facts—

By PAUL BEYANT
UK Farrier Creek

It may seem inappropriate for me to write this book about anything but the best season and how to enjoy it. But this is not the usual 'Bear Facts' you see in the newspapers. It is a book about the bear, the bear's life, the bear's habits, the bear's habits, the bear's habits.
