CHRISTIAN SCIENCE

The practical value of daily obedience to the teachings of Christ Jesus will be emphasized at Christian Science services Sunday. Among the selections to be read from the Bible, in the Lesson-Sermon entitled "Christian Science," will be the following: "But continue thou in the things which thou has learned and hast been assured of, knowing of whom thou learned them; And that from a child thou hast known the holy scriptures, which are able to make thee wise unto salvation through faith which is in Christ Jesus." (II Timothy 3:14,15).

The following correlative citation will be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The substance of all devotion is the reflection and demonstration of divine Love, healing sickness and destroying sin. Our Master said, 'If ye love me, keep my commandments'." (241:19).

The Golden Text is from Isaiah: "Break forth into joy, sing together, ye waste places of Jerusalem: for the Lord hath comforted his people, he hath redeemed Jerusalem. The Lord hath made bare his holy arm in the eyes of all the nations." (52:9,10).

Considerable acreages of Balbo rye were seeded in Bullitt county for early spring pasture.
