The heaviest snow of the season blanketed Nicholas county Tuesday as well as the rest of Central Kentucky.

Between three and four inches of snow fell here making traveling extremely dangerous and several minor mishaps were reported. A county school bus, loaded mostly with pupils of the Ellisville school, collided with an auto driven by John H. Stone Wednesday morning on the Stoney Creek road just below the farm of Alonzo McKenzie.

The students were shaken up although none were reported seriously hurt. Sheriff Buck Chinkenbeard said the autos driven by Stone evidently slid on the icy road and collided with the bus. Four passengers in the car were shaken up but otherwise all right. Besides Stone, other passengers in the car were his wife and Mr. and Mrs. Arthur Craig and son.

Vernon Craig was driver of the school bus. The children continued on to school after the mishap as the school bus came along and picked them up.

Wheel Torn Off

One wheel was torn off the bus as well as a wheel off the car. Fenders on both vehicles were considerably damaged. The bus was traveling toward town when the accident occurred.

A city school bus was slightly damaged Tuesday afternoon about 3:30 when a car driven by a West Virginian ran into the back end of the bus as it was turning into the Cassidy Creek road at Myers Station. The bus, loaded with city school pupils going home for the day, was only slightly damaged and none of the students were hurt. Driver of the bus was Rex Smoot.

The city school bus didn't make its usual run Wednesday morning because of the hazardous road conditions but most of the students made it to school in private cars.

Alton Rose Buys Cameron's Store

Paul Cameron, owner of Cameron's store at Myers Station for the past eight years, this week announced the sale of the stock of groceries to Alton Rose, allo of Myers. Mr. Rose took possession of the business December 31.

Involved in the transaction was Mr. Rose's 99 acre Cassidy Creek farm which Mr. Cameron bought with possession to be given March 1.

Cameron's store at Myers was begun in its present location in 1922 by S. T. Cameron who operated the store until eight years ago when his son took over the business.

Earlier Mr. Cameron and W. F. Clark were partners in a general store at Myers around 1918 across the road from the present business but fire destroyed the building a few years later.
