Democrats of This District... I am seeking renomination as Democratic Representative...

I am a Mason, a member of the Baptist Church, a vitally interested member of the Farm Bureau...

I have long been interested in the schools. I pledge continued, intelligent consideration of all school legislation...

I am opposed to any increase in truck weight limits. Our highways are now overburdened by excessive load weight limits...

I supported and voted for an extension of REA bonds from twenty-five to thirty-five years. There is no legislative conflict between Kentucky Utilities and REA...

I have for years represented and expect to continue to represent the interests of all the people of this District...

Upon these pledges and my record as a Democrat I respectfully solicit your endorsement and continued support.

WILLIAM W. BLANTON... Just the same Reliable, Courteous Service in the Past...

Deputies will be Mrs. Jno. F. Sugg and Miss Nell Craft...
