CHRISTIAN SCIENCE

The light of Truth illumines the universe, and man reflects this light in understanding of God and His ideas. This will be brought out in the Lesson-Sermon to be read in all Christian Science Churches next Sunday. The subject is "Truth."

Bible readings include the following verses from Psalms (85:10, 11) "Mercy and truth are met together; righteousness and peace have kissed each other. Truth shall spring out of the earth; and righteousness shall look down from heaven." (Psalms (85: 10,11).

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include "Truth makes a new creature, in whom old things pass away and all things are become new." (p. 201).

The Golden Text is from Psalms (43:2,3): "Thou art the God of my strength: ...O send out Thy light and Thy truth: let them lead me."

The Christian Science service this Sunday will be broadcast over radio station WLAP at 11 a.m. (CDT) from the First Church of Christ, Science, Lexington.

While it is figure-revealing, the neckline is high and round with a small band collar, a change from the popular scoop neck, just as the covered shoulder is nice after a season of sleevelessness.
