County Fire Department Here Would Cost $15,000, Court Told

Representatives of two fire equipment companies along with Paul Coatney and Charles Schaffer, members of the county fire department committee of CNC DA, met with the Nicholas County Fiscal Court last Wednesday afternoon in the interests of a county fire department here.

Total cost of equipment which would be needed to establish this type of service for the county, would be around $15,000 the fire equipment representatives told the court.

Funds Lacking

Lack of county funds for this project stopped the fiscal court from proceeding further, but they did pledge a considerable amount of money and agreed to back this project in any other way they could.

The fire equipment company representatives at the meeting were from Eureka Hose Co., which recently sold equipment to the Lincoln County Department Association, and from the Mid-West Fire Apparatus Co., which recently sold courts fire department equipment to Bourbon county.

Purchase Dump Trucks

The fiscal court also accepted bids for three dump trucks from Buntin's Garage and a Willy's Jeep from Harper's Garage.

A representative of the Brandeis Machinery Co. was present at the meeting and the fiscal court purchased a 10-ft. machete on a cat track from the company and traded in their old one which was mounted on rubber.

The 10-ft. is used to load rock at the county quarry and to sweep the floor of the quarry of loose rock, besides having many other uses.

FIRE CALL

The Carlisle Volunteer fire department answered a fire call Monday night about 8 o'clock to the home of Mr. and Mrs. Allen Hopkins, who became alarmed when they detected an odor of something burning in the home. Ring, fireman, discovered a short circuit in the electric switch box and repaired it before any fire broke out.

Hopkins Named To City Council

Charles Hopkins, 38, Carlisle businessman, was named to the city council at a special called meeting of the council Tuesday night to fill the vacancy caused by the resignation of W. R. Burton Sr. several months ago.

Hopkins conducts the Hopkin's Machine Shop on Walnut street and has been a resident of Carlisle for the past five years. He is a native of Little Rock, Bourbon county.

Hopkins was installed into the councilman's post at Tuesday night's called meeting and is now a full-fledged member of the city governing body.

He is a member of Dougherty Lodge No. 65 and a member of the Christian church.

He had rescued 17 persons in the flooded country, stopped to pick up an aged woman stranded by waters and was forced to take refuge in a deserted house as lack of gasoline and a snowstorm made his return impossible. His wife and two children live with him in Stuttgart, Germany his home base.

Muskies Beat Paris In Upset Of Year; Will Play In Tenth Regional Today

Blue Jackets Lose In Opening Round Of 40th District Play

The Carlisle Musketeers, overcoming the first half deficit of 18 points pulled what might be called the upset of the year Friday night when they defeated the highly-touted Paris Greyhounds 44-43 in the 40th district tournament, in Paris and thereby gained the right to play in the Tenth Regional tournament at Paris this week.

By defeating Paris, the Muskies played in the finals and although losing to MMI by 45-29 will participate in the regional, as both district winner and runner-up respectively, will be entitled to regional play.

The Musketeers, led by pointmaker Billy Clark, played what might be regarded as their best game of the season to defeat the Greyhounds. Paris jumped into a 14-6 lead at the end of the first quarter and stretched this to 28-10 at halftime. The fans sat back to witness the rout.

Comeback Story

The scrappy Musketeers refused to quit and roared back at the start of the second half and began to outplay and outfight the Paris five. Billy Clark began hitting the basket from all angles, and the Greyhounds began to fall apart.

Carlisle out-scored Paris 19-5 in the third quarter as the Greyhounds were unable to connect from the floor and cashed in on only five free tosses out of 14.

Still trailing by four points going into the last frame the Muskies soon overcame this lead as Billy Clark dropped in a 40-foot set shot to put the locals ahead by one at 39-38. From here on in the game was all Carlisle. They built up a five-point lead which Paris matched to one in the final minutes.

Billy Clark, the spark that set the Muskies afire, scored a total of 24 points on seven field goals and 10 free throws. Other Carlisle scoring was Donovan, Giller and Booth five points each, Anderson 3 and Logan 2. Cameron played but didn't score.

Blue Jackets Lose

In an opening round thriller of the 40th district tourney last Thursday night, the Paris Greyhounds defeated the Nicholas County Blue Jackets 49-45 in a game which went down to the final whistle.

The Jackets stayed on top almost all night with the Greyhounds close behind. In the closing minutes of the game Paris went ahead 40-39 an ifield the lead until the end.

Nicholas County led at all the rest stops, 14-11, 22-21 and 35-32. Edgar Boyd led the Blue Jackets with a total of 22 points. His hit five field goals and 12 for 12 at the charity line. Phil Hilloch notched 15 points for the Jackets. Other Nicholas County scoring was Hubbard 4, Lowe 2, Fryman 2, Ratliff, Anderson and Baker saw action but didn't score.

Scrapbook Entered In State Contest

The Carlisle Younger Woman's club completed a scrapbook of progress for the Carlisle-Nicholas County Development Association this week and the book was entered into the statewide Community Development Contest, sponsored by the Kentucky Chamber of Commerce.

Mrs. Ben Pumphrey Jr. was chairman of the project and several other members of the Younger Woman's Club contributed their time to gathering and assembling the various phases of improvements in Carlisle and Nicholas county from April 1, 1952 to March 1, 1953, the period of the contest.

Divided into seven major portions, the scrapbook lists improvements in businesses, civic organizations, education, farm and home, municipal projects and housing, besides outlining the activity of the development association.

Among those working on the scrapbook besides the chairman were Mrs. Nate Young Jr., Mrs. Morris Whitely, Mrs. Paul Guthrie, Mrs. Ann Rogers, Miss Emma Barnes, Mrs. Charles Cox, Mrs. W. D. McAfee and Mrs. Helen Hamilton.

Roy Lowe Home After Flying Trip Around The World

Around the world and back to Carlisle must make the world seem pretty small to Airman First Class Roy Lowe who recently returned from a flight which took him completely around the globe.

Home now visiting his mother, Mrs. Eula Grimes, Route 1, Ewing, Lowe said it feels pretty good to be home for the first time in two years, but added that the world trip was "mighty interesting."

Flying as an air police guard on a B-36 heavy bomber with an altitude of some 75,000 feet, Lowe was part of the crew which checked atmospheric results of the recent atomic bomb tests.

Naturally, he said, he didn't know any of the results.

Stops In Five Countries

The trip took him from the United States to England, France, Germany, Switzerland, Italy, Turkey, Northern China, Japan and then home.

Lowe, a veteran of eight years in the Armed Forces, (seven in the Marines and one in the USAF) will leave Monday for New Mexico for reassignment.

He thinks he will be slated for duty as an embassy guard in either Paris, France; Frankfort, Germany; or Tokyo, Japan, any of which, he says, are OK with him, to give him a little more time to do his traveling on the ground.

VFW Auxiliary Head Re-elected To Post

Mrs. Lida Mae Wade was re-elected president at the VFW Auxiliary at the regular meeting of the club Tuesday night.

Other officers elected were as follows: Mrs. Agnes Conrey, senior vice president; Mrs. Lucille Stone, treasurer; Mrs. Ann Rowen, secretary; Mrs. Ann Hughes, chaplain; Mrs. Maud Donahue, guard; Mrs. Marion Wells, Conductress.

Miss Edna Huddleson, color bearer No. 1; Mrs. Eva Donovan, color bearer No. 2; Mrs. Bessie George, color bearer No. 3; Mrs. Jimmie Barton, color bearer No. 4; Mrs. Christine Layson, musician; Mrs. Lucille Stone, flag bearer; Mrs. Christine Layson, third year trustee; Mrs. Frances Hughes, second year trustee; Mrs. Colleen Power, first year trustee; Mrs. Lucille Stone, publicity and card chairman.

The installation of the new officers will be held Tuesday night, April 14.

History Of 4-H Clubs

Mary Phyllis Smith

Four-H club work as we know it today is the out-growth of more than 45 years of thought and effort on the part of many men and women in all parts of the United States — men and women vitally interested in the rural youth of America.

The beginnings of 4-H club work, like that of many other great educational movements, were very simple, hardly to be called "club work" as measured by present standards. Yet from those simple beginnings grew the present 4-H club organization.

There is a difference in opinion as to where and by whom the first 4-H club work was done, but records show that some work was done in this field in the early years of the twentieth century. One authority states that the first club was started by W. B. Owell, president of the Macoupin County Farmers' Institute, in Illinois, in 1900.

First In Ky. In 1909

The first 4-H Club in Kentucky was organized in Fayette county in the spring of 1909. The first Kentucky publication of 4-H work was in 1912. In 1918 there were approximately 75,000 4-H club members in Kentucky.

Present objectives in 4-H club work are to provide opportunities for farm boys and girls to develop themselves to meet successfully and improve the economic and social conditions on the farm and in the community.

Through their group action they learn to work and play together for the good of the individuals and the community and through the project work they learn to produce economically and to market their products according to standard grades.

The state and national emblem is a four-leaf clover with an "H" on each leaf. The four "H's" stand for the four-fold development of Head, Hand, Heart, and Health. This emblem is protected from commercial use by an Act of Congress.

4-H Pledge

The 4-H Pledge is: "I pledge—My Head to clearer thinking, My Heart to greater loyalty, My Hands to larger service, and My Health to better living, for my Club, my community and my country."

The motto, "To Make the Best Better", should be the aim of all club members and should be their guide in all that they attempt.

The 4-H colors are green and white. The white background of the 4-H club flag symbolizes purity and the green emblem is nature's common color in the great out of doors and is emblematic of spring, time, life and youth.

VFW Horseshow To Have 11 Rings

Eleven rings with premiums totaling $1,472.50 were announced this week by Chairman Russel Alexander for the 1953 VFW horseshow, scheduled to be held June 2.

Alexander, in announcing the classes for this year's show, stated that one class had been dropped from last year's card while three new classes were added to enlarge the show.

The three-gaited pony class has been omitted from the 1953 show while a boy or girl rider under 13 ring, a fine harness pony 46 inches and under ring, and a roadster class have been added this year to round out the 11 classes.

Top Prize Money

Top prize money this year will go to the winner of the five-gaited class which was captured last year by George DeAtley of North Middletown. Second best premium class will be the walking stallion, mare or gelding ring with $250 being distributed among the first four winners in this division.

The roadster and three-gaited class will offer $190 in prize money to the winning contestants and the fancy tournout class has a premium of $170.

Clif White has been named as announcer for the show this year, according to Alexander. White performed at this post last year and turned in a creditable job.

The complete premium list is as follows:

Class 2—Boy or girl rider under 18—$10, 5, 2.50 and ribbon.
