CHRISTIAN SCIENCE

As we gain spirituality, we lose the consciousness of matter and its ill effects. This will be explained in next Sunday's services in all Christian Science churches. Subject of the Lesson-Sermon is "Matter."

Among the Bible selections the following will be read from Isaiah (43: 11): "I, even I, am the Lord; and beside Me there is no saviour."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the Discoverer and Founder of Christian Science, include the following: "God is one God, infinite and perfect, and cannot become finite and imperfect" (p. 587).

The Golden Text is taken from I John 15: 21: "Little children, keep yourselves from idols."

DISCUSSING THE HIGH POINTS

We never learn all we are taught!

In religious education, as in secular, certain truths are grasped immediately; others are stored away in the mind to be understood later; and some are promptly forgotten.

When your child comes home from Church School each Sunday he has grasped a few "high points" of the lesson. You can encourage him by talking them over.

He also brings home each Sunday certain impressions. He cannot express or understand them. But they are seeds which, if nourished in a Christian home, will blossom into moral and spiritual character.

But your child leaves behind him many truths which are essential to a mature soul. These "lost" ideas will be re-learned in future experiences at Church. That's why religious training must be continuous.

Wise parents study their faith with their children. In our local churches there are classes for young and old.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. These are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
