electric water heating! Think of it—nothing to light—nothing to turn on or off. No adjustments to make—no bother checking whether the water is hot enough.

—no bother checking whether the water is not enough.

So SAFE—no flame. So CLEAN—no smoke or soot.

You merely turn any hot water tap—anywhere in the house—any time, day or night—and there's a rush of water that's always hot. No other method provides so many advantages—so switch to electric water heating NOW!

There's Only ONE WAY - The Electric Way!
