Tidbits Of Kentucky Folklore

"My Folk-Made Education"—
A recent visit to my old home in Italy made me remember how much I am indebted to my young people—both in and out of my folk—their education, to the numerous older people whom I have recently introduced into a whole world of music that I would have never found out on my own, and to the music that I would have never found out on my own, and to the music that I would have never found out on my own.

Veteran Dividend Being Paid To 380,000

A \$64,000,000 special dividend on the part of the United States Government is being paid to 380,000 veterans who had permanent disabilities in what is officially known as World War I.
