KEEP 'EM OFF THE TRAINS TAX
REMOVE THIS BARRIER!
In 1944, a 15 per cent "Keep 'em Off the Trains" excise tax on passenger fares was levied as a war measure... to conserve fuel space for defense transportation. The war is over... but YOU ARE STILL PAYING THIS TAX.
Along with this tax goes another Federal Transportation Excise Tax—a tax of three per cent on freight charges, levied only on freight moved by railroads and other public common carriers.
BOTH TAXES ARE OUTDATED AND SHOULD BE REPEALED BY CONGRESS!

ONE WAY to avoid frozen clothes
use an Electric CLOTHES DRYER
D AWAY with the winter chore of clothes drying—get an automatic electric clothes dryer.
Any day is a good day for clothes drying with an electric clothes dryer. No water carrying—no lifting, carrying, pinning and pulling. Drop your clothes in the dryer—set the control for the dryness you want. The dryer will automatically do the rest.
No wonder practically all women say you can't beat an electric clothes dryer for comfort and convenience.
