and can give you the history of out about any one of them.

Asked what he thought was one of his best jobs, he told us, after a little reflection, that a mahogony piano which he converted into a desk for Mrs. Howard Veach probably would be one of his better jobs. We are sure Mrs. Veach would agree with him.

Mr. Scott's spare time work has not always been just working on stock prices, such as chairs, desks, tables and the like. Once he got an order for 24 maple night sticks for the Dayton, Ohio police force. Then another time, he was asked to rework a gun stock by Charlie Simons, who had moved to New York and had sent the gun stock back home to Mr. Scott. Cooperating with Mr. J. W. Sudduth, the two did what Mr. Scott termed "a good job" on the stock and then debated as to what they should charge. Finally they agreed to $15 and sent the gun stock and the bill to Mr. Simons.

A few days later a check came back and a note from Mr. Simons saying that the owner was pleased with the work and why hadn't they sent a bill. The owner was a millionaire, and after seeing the work, was ready to pay many times that much. Scott only laughs when he remembers how he and Mr. Sudduth debated on what to charge for "that gun stock."

Ninth District American Legion To Meet In Mt. Sterling Sunday

The annual fall conference of the Ninth District of the Kentucky Department of The American Legion will be held in Mt. Sterling on Sunday, September 27, according to an official call released by District Commander Cecil Florence of Cynthiana.

The conference program will get under way at 10 a.m., with registration at the Montgomery Hotel. At 1 p.m., a luncheon will be held at the same hotel, with the conference business session to follow immediately.

Speakers

Among those scheduled to address the conference are Harry H. Hansbrough, Louisville, Alternate National Committeeman for the Legion, and Forrest T. Newcomb, Louisville, Assistant Department Adjutant.

"While all phases of the Legion's 1954 program are to be discussed," said District Commander Florence in his call for meeting, "special emphasis will be placed on ways and means of increasing membership enrollment through the district during the coming year."

The Ninth Legion District according to District Commander Florence, includes all posts within the counties of Bracken, Robertson, Harrison, Nicholas, Fleming, Lewis, Bath, Montgomery, Wolfe, Morgan, Elliott, Rowan, Carter, Greenup, Lawrence and Boyd.

The only convertible that outsells Ford!

WHAT IS IT that makes Ford's Sunliner America's best seller? Is it its high-compression V-8 power? Or the convertible in Ford's field has this kind of engine.) Is it the fine craftsmanship of the Crestmark Body? (No body in its field can match Ford's choice of exterior and interior color combinations.) Is it its new spring and shock absorber action which makes even roughest roads feel smooth? (The Sunliner's springs are tailored to its weight.) Is it the choice of Fordomatic, Overdrive or Conventional you get? (You won't find such a choice in any other car in Ford's field.)

No, it's not just any one of those things that make Ford America's largest-selling convertible. It's all 41 of Ford's "Worth More" features . . . features which folks know make Ford worth more when they buy it, worth more when they sell it.

COVERED BRIDGE BURNS

A grass fire was believed to have destroyed a 304-foot old covered bridge at Claysville in Harrison county Tuesday. The bridge, spanning the Licking river, was built in 1874. The late B. F. Remington, father of Mrs. Alice Fisher, Carlisle, was one of the contractors on the bridge. It was thought to be the oldest remaining covered bridge in the state.

Carlisle Rotary Club Will Be Host To District Governor Cooper, Today

The Carlisle Rotary Club will be host today to Lee Cooper, Governor of the 235th District of Rotary International, who is making his annual official visit to each of 41 Rotary clubs in Eastern Kentucky.

While here, he will confer with President Ralph Shearer and Secretary Rev. W. R. Rayburn and other local officers on Rotary administration and service activities.

He will be the honor guests at the regular meeting of the club tonight in the Masonic Hall.

Mr. Cooper is superintendent of Stuart Robinson school in Blackey.

He was elected District Governor of Rotary International for the 1953-54 fiscal year at the annual Rotary Convention in Paris, France, last May. He is one of the 212 District Governors supervising the activities of some 8,000 Rotary Clubs which have a membership of 372,000 business and professional executives in 86 countries and geographical regions throughout the world.

Wherever Rotary Clubs are located, their activities are similar to those of the Rotary Club of Carlisle because they are based on the same general objectives — developing better understanding and fellowship among business and professional men, promoting community-betterment under-takings, raising the standards of business and professions, and fostering the advancement of good will, understanding and peace among all the peoples of the world.

Each year, this world-wide service organization continues to grow in numbers and in strength. During the past fiscal year, for example, 217 new Rotary Clubs were organized in 42 countries of North, South and Central America, Europe, Asia, Africa, and the Islands of the Pacific.

'Warm Welcome' Being Planned For Foxhunters During Hunt Here

Central Kentucky Foxhunters will feel "right at home" when they arrive in Carlisle Oct. 13-16 for their annual hunt.

Windom cards, bearing the inscription "Welcome Foxhunters" will be placed in all businesses in Carlisle prior to the arrival of the sportsmen here. This phase of the welcome is being sponsored by the Carlisle-Nicholas County Development Association.

More rooms for foxhunters are still needed, according to Mrs. Hobart Stall, chairman of the room reservation committee. Uniform rates will be paid for the rooms and it is suggested that anyone having rooms available to call her at 41.

Carlisle, long noted for its hospitality, seems at this point to be going "all out" to make the foxhunters feel welcome while here.

Local businessmen are expected to join in on the welcoming by decorating their store windows, as best as possible, in the hunt motif.

The Nicholas Fish-Game club, another sponsoring organization for the hunt, have already made plans to invite the hunters to their lodge on the Licking river during the field trials.

Those who will welcome the hunters personally and make them "feel at home" are Bill Shearer, J. T. Buchanan, Don Mitchell, Berry Wilson, J. Milton Fryman, Harry Duncan, Everett Wilson, Clarence Hopkins, Otto Finch, Charlie Ewell, and Hanson Scott, who are on the advance committee.

Shearer, Co-chairman Roger Womack stated this week that all residents could help make the hunt a success by making out of their way" to be friendly with the sportsmen.

Musketeers Gunning For Lancaster Here Friday Night

The Carlisle Musketeers will engage the Lancaster Green Devils Friday night in a CKC contest at the local athletic field. The Muskies will be attempting to break back into the win column after losing two straight games.

In losing to Elkhorn by 18-0 last week, the Musketeers looked fairly good on defense while their offense lacked punch. Coach Carroll Holmes said this week he was disappointed in the work of the offensive line in the Elkhorn game" and indicated that he was working on this phase in practice sessions this week.

Lancaster Favored

According to the Likkenhous ratings published in Tuesday's Courier-Journal, Lancaster is 7.2 points better than Carlisle. However, the Musketeers have shown spunk in practice this week and will be out to win Friday night.

The kickoff is slated for 7:30. The Carlisle Musketeers and the Elkhorn Elks locked horns in a tight defensive battle for 45 minutes Friday night but the Elks exploded in the last three minutes to score two lightning-fast touchdowns and defeat the Musketeers 18-0.

Earlier, in the second quarter, the Elkhorn eleven had scored their initial touchdown and for a while it appeared that this would be the only scoring of the evening.

However, in the last three minutes, the Musketeers began trying desperation passes in an attempt to score and the Elks intercepted two in quick succession for their touchdowns.

Elkhorn's first touchdown came on a 23-yard run by halfback Jimmy Partin. The kick for the extra point was blocked by Donnie Dampier, Musketeer fullback.

After the ensuing kickoff, one of the longest runs of the game was made by Dampier, as he broke hff tackle from the Carlisle 44 and went all the way to the Elkhorn 29 yard line before he was hauled down.

A fifteen-yard holding penalty set the Musketeers back to the Elkhorn 45 but a few minutes later quarterback Billy Clark passed to End Milton Moreland to move the ball back to the Elkhorn 30. However, the drive stopped as Dave Taylor, Elk back, intercepted a pass and returned it to the Carlisle 42.

A pass by Elkhorn put the Elks in scoring position in the third quarter as it gave them a first down on the Carlisle six-yard-line. Here the Musketeers displayed a tenacious goal-line stand and took over the ball on downs on their own one-yard line.

From this point the game seesawed near midfield with neither side being able to make a deep penetration until the fatal final three minutes.

Dickie Hullette made the first touchdown interception for the Elks in the last few minutes as he snared a Clark pass and went 50 yards for the TD. Alfred Cook made the final touchdown as seconds later as he intercepted a Muskie pass and went 25 yards for a touchdown. Both tries for the extra point failed.

Outstanding for the Musketeers Friday night was quarterback Billy Clark's outstanding defensive work. Clark backed up the Musketeer line and from this position made many low driving tackles. Dampier also played a good defensive game as did halfback Larry Cameron.

The starting lineup for Carlisle was Gilley and Moreland, ends; Conley and Logan, tackles; Booth and Feeback, guards; Hardin, center; Clark, quarterback; Cameron and McFarland, halfbacks, and Dampier, fullback. Substitutions were David Feeback, Billy Straw, Fred Hammonds, Jerry Davis, Ronnie King, Billy Berry, W. C. Hunt, Jackie Wells, Ray Snapp and Wilburn Conyers.

Fire Levels Barn, Destroys Tobacco

A fire on the farm of H. A. Gaunce Jr. near Bartonville Monday morning completely destroyed a five-bent tobacco barn, 3,000 sticks of tobacco, ten tons of baled outs and a late model one and one-half ton truck.

The tobacco belonged to Mr. Gaunce and his brother, Woodrow Gaunce, and according to Woodrow, was uninsured. A small amount of insurance was carried on the barn.

Sparks from the fire twixt ignited the Gaunce residence some 50 yards away but neighbors who had gathered to the scene were able to extinguished these blazes before they could make much headway.

The Gaunce's were away at the time the fire was discovered by their uncle, Windsor Gaunce. He said that the roof of the barn began burning first. ~

Origin of the fire was unknown but was thought by the owners to have been caused by defective wiring.

Carlisle Man Held To Bourbon Grand Jury

Thomas B. Marshall, Carlisle negro, was ordered held to the Bourbon county grand jury under $1,500 bond Saturday morning when he appeared before Bourbon County Judge J. M. Lee on a charge of carrying concealed weapons.

Marshall was the owner and reported driver of a car found wrecked on the Winchester-Paris road Thursday. Marshall had been taken to the home of his sister in Winchester by a passing motorist when State Trooper W. K. Miller arrived at the scene of the accident.

Miller said he found two revolvers, a knife and some ammunition in the wrecked car.

NO VIOLATIONS HERE

During the month of August in the eighth district, 933 licenses were checked with 22 arrests being made, the Department of Fish and Wildlife reported today.

In Nicholas county, which is included in the eighth district, Conservation Officer Harry Asher reported no arrests in August.

Four Charges Placed Against Eugene Honaker After Hectic Car, Foot Race In Two Counties

Eugene Honaker, 31, of Carlisle, was arrested by State Trooper V. K. Miller and lodged in Bourbon county jail Saturday night after an auto chase that started three miles from Paris on U. S. 60 and ended in a foot chase in a field in Nicholas county.

Trooper Miller said the chase began about 9:30 p. m. Saturday, continued at an 85-mile-an-hour pace through Millersburg and ended after Honaker had abandoned the car he was driving and had fallen exhausted in a field when trying to out-distance the officer on foot.

During the episode, the trooper fired seven shots at the speeding car, four of them striking the rear of the vehicle.

The trooper said he stopped the car driven by Honaker when he noticed it had only one headlight and was weaving in the road. He said Honaker brought the car to a stop in the middle of the road, the officer parked behind him. The trooper said he then walked to the car driven the vehicle to the side of the road. As he returned to his car to move it off the road, the trooper related, Honaker sped away. The trooper gave chase.

The trooper said Honaker barely missed a guard rail on a bridge on the outskirts of Millersburg and continued into town. The car led the trooper through streets and alleys of Millersburg before heading toward Nicholas county at about 85 miles an hour.

It was then the trooper fired seven times at the fleeing auto, shortly after a shooting Honaker turned onto a side road in Nicholas county, where he was related, continuing at a very fast rate of speed.

The fleeing motorist continued for several miles on the side road before slowing down and jumping from the vehicle while it was still rolling, the trooper Miller said.

The trooper said he saw Honaker remove his jacket before jumping from the car.

The officer left his car and gave chase on foot as Honaker ran across fields and hurdled fences. Honaker discarded his shirt as he was running, the officer said, and continued for about half a mile before falling exhausted to the ground.

Booked On Four Counts

Honaker was charged with speeding, reckless driving, drunken driving, not heeding the warning of an officer and resisting arrest.

Blood Program Vital To County, Chairman States

Ralph Shearer, chairman of the Blood Program here, called on all Nicholas countians to lend their support when the blood unit visits Carlisle on October 27.

Shearer pointed out that blood, donated by residents, is used for three purposes: 1) defense needs; 2) civilian hospitals, and 3) gamma globulin.

He stated that had receiving-fee blood under the program to repay it if possible, or to get a friend to do so.

Chairman Shearer stated that "The Blood Program has a vital part in maintaining the health of people of Nicholas county and vicinity. If we lose this source of blood through a lack of interest and donations when the collection center comes, it will be a severe blow to all the people."

The collection unit will accept donations of blood in the basement of the Christian church from 11 a. m. to 5 p. m. on October 27.

Horse–Pulling Contest Slated Saturday Night

The Lloyd George VFW post will sponsor a horse-pulling contest Saturday night on the Mattox Lot. There will be two classes with first, second and third prizes of $75, $50 and $25 respectively in each class.

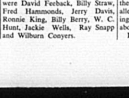
Wayne Moore To Be Music Director At Carlisle Baptist Church Revival

Wayne Moore of Georgetown will be the music director for the two week revival at the Carlisle Baptist church. The meeting begins October 5 at 7 p.m. with Gerald McDevitt as the evangelist.

Mr. Moore is music director at the Greenwood Baptist church of Frankfort, a position his brother held before him. At the same time he is a full time student at Georgetown College. Here he is a music major.

Although a young man, Wayne has had wide experience as a song leader and is particularly skillful working with young folk.



Mr. Moore is a son of R. S. Moore, a Baptist minister of Crittenden Association. An older brother is an evangelistic song leader and two sisters are married to full time Christian workers. One sister is going to the mission field. A third sister is church secretary of the Georgetown Baptist church.

Lee Jones Trial Scheduled Friday

The murder trial of Lee Dudley Jones, Henryville negro, will be held Friday morning as the first jury trial in this term of circuit court.

Jones is charged with the "wilful murder" of Clarence Bean in a gun-fight in Henryville on March 15. Jones was seriously wounded in the battle but recovered.

The grand jury met Monday and returned an indictment against Jones, charging him with the "possession c f malt beverages for sale in a dry territory." Jones was arrested by officers only a few weeks ago on this count.

Former City Police Chief Buck Watson was also indicted by the grand jury Monday on an "assault and battery" charge which stemmed from a warrant sworn to by Daniel Sullivan of Lexington which stated that Watson attacked him only a few minutes after the Blackberry Festival closed here on July 4. Wasson's trial was not set by the court.

The grand jury will reconvene on Monday, October 12.

Dismissed Gaunce Case

Last week Circuit Judge A. H. Barker dismissed the suit of Mrs. Grace Cameron for $5,000 against the State Highway Department in which she charged that the department was using part of her yard for storage purposes.

Jesse Lewis, counsel for Mrs. Cameron, said the case would be appealed to the Kentucky Court of Appeals.
