CHRISTIAN SCIENCE

The Lessons of Truth are unfolded in revealing man's true being, as will be explained in the Lesson-Sermon entitled "Substance to be read in all Christian Science church services next Sunday.

The Bible citations include the following verse from II Corinthians (4:18): "While we look not at the things which are seen, but at the things which are not seen for the things which are seen are temporal; but the things which are not seen are eternal."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following: "Spirit, the synonym of Mind, Soul, or God, is the only real substance. The spiritual universe, including individual man, is a compound idea, reflecting the divine substance of Spirit." (p. 468)

The Golden Text is taken from Psalms (119:98,90): "For ever, O Lord, thy word is settled in heaven. Thy faithfulness is unto all generations: Thou hast established the earth, and it abideth."

Parks Homemakers

By Mrs. Malcolm Hardwick

The Parks Homemakers Club met Thursday at the home of Mrs. W. L. Marr, with our president, Mrs. Rubel Williams, presiding at the meeting.

The devotional was presented by Mrs. Warner Lowe. Ten members answered the roll call. We filled out our new calendars for the coming year and reports were given by the various chairmen.

Lesson for the day was "Style Trend" given by our home agent, Miss Emma Barnes. The leadership lesson was given by Mrs. Lizzie Williams.

The highlight of the day was the revealing of our secret friends, by exchanging gifts and drawing new friends for the coming year.

The October meeting will be at the home of Mrs. Warner Lowe.
