**NOTICE**  
 Because of ill health, my wife and I have decided to sell our home, 323 Sycamore St., and make our home with our daughters.

Some furniture, dishes and household goods will also be sold. This property was pointed out and put last year. Venetian blinds all over the house go with the house. Garage and garden or large building lot in rear of premises. Four rooms on each floor, with complete bath rooms up stairs and down stairs. Heated with oil furnace in concrete basement.

To see Mr. the property and for full details, see Mr. or Mrs. Keller Hughes 101 Mulberry St. Howard K. Veitch

**Nicholas County Teachers Association And Board Of Education Hold Reading Clinic At Nicholas County High School Monday; Committee Is Appointed**

The Nicholas County Teachers Association and the Board of Education held a reading clinic at the Nicholas County High School Monday. The clinic was held in the gymnasium and was attended by approximately 100 teachers and students. The purpose of the clinic was to improve the reading habits of the students and to provide a means of continuing education for the teachers. A committee was appointed to plan for the future and to report to the next meeting of the association.

**City, County High School Chorus, Band Receive Ratings At Morehead**

The City, County High School Chorus and Band received high ratings at a performance in Morehead, West Virginia. The chorus performed several songs and the band played a variety of pieces. The performance was well received and the groups were praised for their excellent work.

**Soil Conservation News**

The Soil Conservation Service has announced that it will be providing technical assistance to farmers in the area. The assistance will include help in determining the best methods of soil conservation and in obtaining the necessary equipment and materials. The service is interested in helping farmers to improve their soil and to increase their productivity.
